BULLETIN

RAY'S REMARKS:

I hope everyone is having a great week! God continues to bless us with good weather. Furthermore we continue to hear good things concerning those of our family who are dealing with continued health issues and trials of life.

We are especially thankful for the great news our sister Cindy Gann received, “still cancer free.” We thank God for her continued health and we want to continue praying for her good health. Also, we rejoice that our sister Tina Orum got a good report on Monday. Again, still cancer free! Brethren, we are a blessed people and we know that God hears our prayers in relationship to the many of our number who have struggled with these great health issues of life. Let’s continue to remember all of these in our prayers, as well as the many on our prayer list, and also brother Carroll as he deals with some serious issues in his life.

Another issue that is ever on our mind the last few days is our beloved brother Henry Lewallen. He has been struggling with Pneumonia and with problems breathing for several days and has been in ICU. Let’s remember him before God’s throne that he might have the health and ability to overcome these things. We know that our God is a loving and caring God and that He always does what is best for His own. Let’s continue to encourage Reva and their daughter, Cindy as well!

Let me also encourage us all to go ahead and be making plans for our lectureships which will be upon us in just a few weeks. Please set aside the dates May 13-16. This will be a great week of encouragement, growth and offering to God. Our Theme this year is on Worship! No doubt this will be a challenging topic for us all to evaluate ourselves and to make sure that we are giving God our very best. Hope to see you at every service.

Finally, remember that the 5<sup>th</sup> Sunday contribution is coming up in a few weeks. This is an important 5<sup>th</sup> Sunday, as all contributions will go toward a lot of much needed work that has been going on around the building. We have many more big plans ahead for our facility, however, we all need to keep our contribution up and even dig a little deeper in order to get them done as soon as possible. So many of you have express a desire to have a lot of these things done, so now let’s all show our support and give our very best to meet the needs and challenges ahead.

I look forward to seeing you all this coming Sunday for Worship. Until then, put God first and always give Him your very best; you will never regret it! God Bless.

ELDER'S CORNER:  
Greetings From The Elders at K.E.:  
Very soon we will begin our Annual Lectureship series for BIM. The dates for the lectureship are May 13-16. Our theme this year will be on Worship. It is our hope that we will all grow in the knowledge of what worship really is and be able to understand what should really be our response to our worshipping God in "spirit and in truth." Wouldn't it be wonderful if all the family of God attended every session. Is that really asking too much of us? Please make plans to attend every session.

Remember that the 5th Sunday contribution next week will be going towards the up grading of our facility and grounds. It has been something that has needed to be done for years. A more thorough explanation of the work that is to be done will be made this Sunday.  
Continue to remember those among our number who are experiencing difficult health problems. Let us pray diligently for their care and keeping.  
Hope to see you at all our services. We love you all!
