BULLETIN

RAY'S REMARKS:

I hope everyone had a great 4th of July! I actually got to relax and watch some movies with the family. After services on Wednesday night we also went to the fire works show at Battle-field. We had a great time and it was a really good show, despite the fact that it was pretty hot.

Let's all keep brother Carroll in our daily prayers. I know he is still struggling a lot with his treatments and all that he is dealing with in life. Also let's keep others like Gene Keeton in our regular prayers. It is great to have the family of God to encourage you in such times. Let's all do our part!

We also want to remember our brothers who left for Costa rica today (Thursday). Let's keep brother Chuck, brother Allen, and brother Jesse in our prayers. I know this will be a profitable and beneficial experience to all involved. Let's also pray that many souls will be affected with the Gospel of Christ.

This coming Monday, sister Robbie will begin her camp session at Happy Hollow. Let's keep her and this good work in our prayers, as well as the many helpers and campers. It is truly a blessing to have such opportunities to have a life changing affect on young people.

Well, things have been quiet around the BIM. However, we already have two new students confirmed for this coming school new year. We also have another student who is seriously thinking about coming. Please keep all of these good brothers and the plans their making to come to school, in your prayers. Also let's remember Allen and Jesse as they will soon begin their second year of study.

I hope you all have a great weekend. I also hope you will put God first and be in worship this coming Lord's day. There is no great place to be! May God bless us all as we put Him first in all things! See you there.
