## BULLETIN

## RAY'S REMARKS:

I hope everyone is having a great week. Although it's been a little cool, the weather has actually been really nice. In fact, it sounds like Friday and Saturday are going to be gorgeous days. God certainly blesses us this time of the year with beautiful sights, within a beautiful season.

Can you believe that we are only a few days away from November? Where has this year gone? It won't be long before the holidays are upon us and we are able to spend some time with family and friends. We are such a blessed county and people! Furthermore, as Christians we are all richly blessed. So let's all show our thankfulness to God every day for all of His protection and care. We serve a loving and giving God.

This coming Sunday morning, I will have the opportunity to be representing our congregation and the BIM, as I worship with the brethren in Sedalia, Missouri. This good congregation had asked Dad to be a part of their annual lectureship earlier this year and the dates fell on the time when he was supposed to be in Africa. So he asked me if I could go and represent the school to advertise our good work and to make contacts of those who might be interested in attending or supporting this work of God. Anyway, I do look forward to being back with you Sunday evening for our Youth Night. Please keep me in your prayers during these travels.

Let me remind everyone that we have reorganized the groups for the Agape program. Please make sure and check your mail box for more information about which group you are in. You should also have received a call from brother Wesley about which group you are now in. I believe that the Agape program has been one of our best efforts in the last many years to encourage one another and fellowship, as well as to reach out to visitors and those in need on a weekly basis. I hope all of us are doing our part to make this program a success. If not, why not give it a try and join in this good work of our Lord.

Well, I look forward to seeing you all Sunday evening. Until then, remember to always put God first and He will lift you up. Our God truly wants to see His children succeed. Will you do your part to be faithful to His call? God Bless!

ELDER'S CORNER:  
  
Let's continue to remember all those of our  
number who need our prayers, words of encour-  
agement and help. As the Bible says, "Bear ye one  
another's burdens and so fulfill the law of Christ."  
Galatians 6:2. Many are sick, others have lost loved  
ones and many are dealing with the problems of life  
that come to all of us in so many ways. We really  
need one another.  
  
Special thanksgiving to those of you who  
strive everyday to be ready to help others in need.  
Hope to see you all at all our services.
