## BULLETIN

### RAY'S REMARKS:

Well, by the time you get this bulletin, Cindy, the kids and I will be in Colorado. We were blessed to be able to take a vacation this year so that we can spend a little time together as a family. It has been several years since we have been able to go on a bigger vacation, so we are all excited about getting away for a few days. We certainly missed you all last Sunday but Lord willing we will be back with you this coming Sunday.

Chase decided our vacation for us this year! Now that he is a little older he wanted to go somewhere we had been before. It's always a blessing to make new memories in special places to put with all the older ones.

I will have to say that one of the things I have learned in life is the importance of family time. And perhaps, there are few more important times for a family than when you are able to get away and be alone. Away from Work, School, Family, Friends, and everything that is a normal part of everyday life and then just spend time together. There are few things that build family relationships and encourage us to love one another more than when being with our immediate family and family alone. I encourage you all to make such special memories with your kids and grandkids and you will make a profound impact on the lives of all involved.

I still remember as a young boy my grandparents taking me to Gatlinburg, Tennessee. Yes, little old me and me alone. It was such a special time with them, one I will never forget. Oh boy, was I spoiled that week and let me say that I did enjoy it! Now my grandparents have gone on from this life to receive their reward, but oh, how precious such times in life are!

Let me also take just a moment and remind you that this coming Friday and Saturday is our 2013 Couples Workshop. I hope you will be a part of this good time of study, growth and fun! Also remember that we are only a few weeks away from VBS. I hope you are all planning to be involved as teachers, students, invitees, or in whatever capacity you can serve God. I look forward to a great VBS this year.

We do look forward to being back with you all this coming Lord's Day. Please keep us in your prayers as we will be traveling back on Saturday. See you Sunday. God bless!

Thank you for helping!

Elders' Corner:

Greetings from your elders at K.E. Isn't it great  
to have such men like Mark, Seth & Andy who can  
stand in when we need them.

Ray & his family have been vacationing in  
Colorado. Sure hope they enjoyed themselves.

Plan on attending our VBS August 4-8th. We  
still need some teachers. If you can please sign on  
the sheet in the hallway bulletin board.

Again, we are collecting school supplies for a  
neighborhood elementary school. Please have sup-  
plies by August 7th.

There will be a couples workshop July 26-27th.  
Check bulletin for times. Brother Chuck and Jer-  
emy Northrop will be the speakers. Please con-  
tinue to pray for those who have medical problems.

A big thank you for all who drive the vans.  
Some people wouldn't get to come if not for YOU.

If we are not giving God 100% we are not giving  
anything.

Your elders, Gary & Jerry
