KANSAS EXPRESSWAY CHURCH OF CHRIST

JANUARY 19, 2014 BULLETIN RAY'S REMARKS:

The Psalmist David once proclaimed, “This is the day the Lord has made; We will rejoice and be glad in it,” (Ps.118:24). What a wondrous blessing each and every day from God is. We are truly a blessed people of our Creator!

Furthermore, what a wonderful Lord's Day we had together this past Sunday. The weather was beautiful and most of our family was present to worship God. I know many of you were ready to get out of the house and to be back with your church family. All the cold and crazy weather for the past several weeks has made it really hard for people to make it to services. Anyway, it is a great blessing for things to be back to normal and it sure was a great blessing for us all to be together on this past Lord's day.

It was also a great day because Leon, Marcella and Dylon came back home to us. We love and appreciate this family so much and we are glad they are a part of the church here at K. E. I know everyone will want to give them a big hug and welcome them back to our family.

It was also a wonderful day because we had two individuals become new Christians. We want to welcome Teresa Pridgen who desired to obey her Lord and to confess His name, repent of her sins and to be baptized in the name of the Father, Son, and Holy Spirit. Teresa has been visiting with us for months now and we praise God that she desires to be a part of our family here, that we can serve God together in spirit and truth!

We also rejoice in the obedience to God's Will of Teresa's daughter, Amanda Pridgen. Amanda is a fine young teenage girl who wanted to be baptized to complete her obedience to God's Perfect Will. I know we will want to welcome her as well. Brethren, let's make Teresa and Amanda feel welcome and let's encourage them to grow in Christ in order to become the children of God they desire! Oh, what a blessing it is to have a new family with us to encourage, as well as to be encouraged by.

Sunday was also an enjoyable day as we had our first Agape meal of the year. We had a great turnout from groups 1 & 2. It was wonderful to have fellowship with one another, as well as to share this meal with many visitors. What a blessing such times are as children of God.

Well, I hope to see each of you in worship this coming Sunday. There is no greater place we can be than with our beloved family of God, before the glorious throne of our loving God! Remember brethren, always put God first in all things and you will never regret it. May God bless us all as we strive to do His complete Will!

THANK YOU NOTES:

Dear K.E. Friends & family:
While I am feeling better than I have - in over a month; I thought I'd better thank each of you for all of the beautiful supportive birthday cards-- My box was overflowing - again) and for the many Christmas wishes for love and peace for my entire family!
When my family members that haven't been attend-ing regularly, showed up the Sunday after my birthday - and everyone welcomed them like they'd been there every Sun-day - that, too, warmed my heart! It also reminded me - once again - What a great group of Christians there are @ K.E. Christians who practice what they preach!
May God Bless us all - in 2014!
In Christian Love, Dovia Evans

THE CHURCH

The church is not made up of people who believe they are better than others, but rather it is made up of those who realize that they should be better than they are and must continually strive to do better always.

The church is not made up of perfect people, but people who realize they are following a perfect Lord and a perfect law and therefore must do the very best they can.

The church is not made up of people who never make mistakes, but those who often acknowledge their mistakes and then forsake them. Never must we seek to justify them or continually make the same mistakes over and over again.

The church is not trying to withdraw from everyone but rather to draw everyone into its fellowship and love who are willing to walk in the light where God the Father and Christ the Son are found.

The church is not trying to set up arbitrary rules to hinder anyone but rather to show the rule of Christ which helps everyone.

The church is not trying to take the joy our to life, but rather is trying to put real joy into every life it touches.

The church is not trying to make you feel ugly, but rather it is trying to instill the beauty of holiness in your life.

The church is not trying to become the master of your life, but trying to get you to master yourself.

The church is not trying to rob your life priorities, but rather trying to get you to put the priorities in your life.

The church is not trying to separate you from your money, but rather is trying to keep your money from separating you from God.
