## JANUARY 26, 2014 BULLETIN RAY'S REMARKS:

What a glorious Lord's Day we had this past Sunday. We had a great number present and everyone seemed to be in good spirits due to the nice weather. It was also nice to have so many visitors with us Sunday. It is always a pleasure to share our faith with fellow Christians passing through, as well as those who are new to the Lord's church. I am ever thankful to be a part of a family of God who is so friendly and welcoming to those who visit with us.

Well, we are off to a new quarter at the BIM. It is hard to believe that we are only about 4 months from graduation, but I know our students are getting ready for it. I also know that this is a nervous time for them, as they start to think about the future. Let's keep Dustin and Ethan in our prayers as they complete their work here at the BIM, as well as they look for a place to serve their God as a minister of the Gospel!

I also wanted to take a moment and thank most of you for your involvement in the Agape program. So many of you continue to make this program a success. What a blessing it has been to our family at K.E. If you're not involved you're missing out, because within this program we have many opportunities to fellowship, to encourage one another, to grow in His Word, and as well as to evangelize. Please give this good work a chance and get involved with your group. You won't regret it.

I might also remind you all to make sure and check your agape boxes and get the slip for updates to your personal information. As we are trying to get our Membership books ready, we want to make sure that we have the most accurate information. So please help us with this as soon as possible so your updated information will be in the book.

Let me thank all those who helped this past Sunday with picking up brethren who usually ride the Minibus. As most of you know by now, someone broke out the Minibus driver side glass on Friday night, so we were unable to get it repaired in time to use on Sunday. However, as usual the brethren here were eager and willing to pitch in and pick up folks. Brethren, we are so blessed to have so many who are willing to help and work for the Lord. I am so thankful for you all and praise God that I am a part of such a loving and caring family who is willing to serve!

Well, I hope to see most of you tonight at our midweek service. I also hope you all have a great remainder of the week! However, let's all make sure and make proper preparation, to be ready to attend and assemble before God's throne this coming Lord's Day! Until then, know that God cares for and blesses His own. God bless!

Sunday Morning: Freda Fielder  
Freda had a letter prepared expressing her desire to remain

of her ability to always bring glory to God's Holy Name.

Dear K.E. Family,  
Thank you so much for the "goodie basket."  
I've been looking for a good salad bowl, now I have  
one.

SECRET SISTERS:

This Sunday, January 26th, immediately after  
morning services in room 9, we will draw new names for  
Secret Sisters. Please place a new filled-out informa-  
tion form in Sarah Cartwright's mailbox by Wednesday,  
January 22nd, so she can have them ready by Sunday.

ELDER'S CORNER:

Truly the angles in heaven are rejoicing over four  
precious souls that put on their Lord in baptism this past  
week. As babes in Christ, they will need our constant  
love and encouragement to grow into the image of  
Christ. We rejoice over these new converts and pray that  
they will have a long and useful life in service to God.

Please continue to remember our sick in your  
prayers. Brother David Guiheen is in the process of  
possibly receiving new treatments for his illnesses. He  
needs our prayers. Many others are sick physically as  
well as some are spiritually. They need our prayers.

Hope to see you all at all of our services. May  
God bless you!

Jerry & Gary
