 BULLETIN
 RAY'S REMARKS:**

Well, we had another crazy weekend, weather wise! Can you believe all the ice and snow we got? It certainly could have been a lot worse, but it did get just nasty enough to make it difficult for many to come to services. Despite the weather, we did have a good attendance Sunday morning and we were blessed to gather as God's people and to worship our Creator. I also know that many of you were able to join our worship service online. What a blessing this tool has been to many of our family and not only those who are struggling with health issues, but also those who are unable to make it in bad weather.

Most of you have probably heard by now, but brother Jim Barnes had an accident on the way to services Sunday morning. He is at Cox South and we really need to remember him in our prayers as he recovers. He did damage his back some in the accident, so let us remember him during this time of trial and pray that he may get well soon.

We also have those who are continuing to recover from various health struggles. Especially, let's remember sister Reva who is now at home regaining her strength and mobility. We also need to remember sister June as she is now back at home recovering from her several surgeries. Let's also keep in mind sister Juanita as she continues to improve in the rehab facility in Republic. We always have many others on our prayers list, so please make sure to pick up an announcement sheet or the bulletin so you can keep these needs before the throne of God.

We are also thankful for those who continue to make improvements in their health, after recent health problems. Let's continue to remember Tom, Leon, Marcella and Retha, as they continue to improve.

As we have started the month of March, I wanted to remind you all that this is a month when we will again focus on our pantry needs. It has been around 6 months since our last pantry drive, which was so successful. So we again need your help to stock up our pantry for another 6 months. Please take note of the specific items requested each week, which are listed in the bulletin. With your help we will again have the needed items in our pantry to help those with food needs from our community as well as those in our church family. Thanks in advance for your help with this important need!

I hope you all have a great weekend and I hope you have already made a firm commitment to be present to worship God with your church family this coming Lord's Day. Remember, there is no place more important we can be on this His Day, than with our brethren before His mighty throne. See you Sunday! God bless

My recent hospital stay & illness brought all of you close to me & Leon. Your love was shared thru the many cards-calls-offers of help & just knowing you all cared & loved us. The prayers were needed more than anything and I ask that prayer continues till my swallowing issues are resolved. Thank You all so much.

**MARCH IS:
 FILL OUR PANTRY MONTH**
 Food items requested for March 9th:
**PEANUT BUTTER, JELLY
 &
 OATMEAL**

Also, because of the bad weather last week, several were not able to be here, so if you could please make up for last week's items ie: CANNED MEAT & CRACKERS, that would be appreciated. Thank you!

ELDERS' CORNER:

This past Sunday was another bad weather day. We continue to have services on A.M. & P.M. We had a good crowd for both of these services.

Please keep brother Jimmie Barnes in your prayers as he was on the way to services on Sunday morning and ran off I-44 flipping his truck. He suffered some back injuries. He was still in Cox South at last report.

We have so many on our prayer list with health problems, please encourage them with a card or call that means so much to them.

Maybe spring is near where we can go out without freezing. Its been the worst winter in 35 years.

Remember March is our "Fill The Pantry Month" and should help us provide food for at least six months to many needy souls. Thank you, if you are able to help with this effort.

Please continue in attendance and worship our God.
