MARCH 16, 2014
BULLETIN
RAY'S REMARKS:

What a beautiful start to this week we have had. Sunday was a little cool and wet to start with, but it ended up being a nice day. But then Monday and Tuesday were gorgeous! It was so nice that you just wanted to open up the windows and go outside to enjoy the wonders of God’s creation. And despite the fact that today was a little colder (Wednesday), it looks like the rest of the week is going to be very nice as well.

It’s hard to believe, but next week will be another finals week at the BIM. That means that our present class is only one more semester away from graduation. Please keep Dustin and Ethan in your prayers as they finish out their studies and as they begin to look for places to work and serve God. It is always a time of mixed emotion when you are about to finish school of any kind. On one hand we are glad to finish the course, but on the other hand we have to head out into the world and begin to apply what we have learned. I know God will provide for both of these men and that they will find their place to begin working in His Kingdom.

In connection to that, keep in mind that we have as many as 4 preparing to come already or considering coming to start the next intake in August. We need to keep all of these young men in our prayers as well as these men as they make preparations and raise the necessary funds to come to school. I would especially ask you to remember Trey as he plans to start the school in August. I know he will continue to be a great asset in the Work of the Lord throughout His life. I am very proud of him!

I also wanted to commend Ethan for the great job he did speaking Sunday night. You can really see how much he has grown in the teaching of Christ and in his skill level since starting the school. It is always exciting to me to see the change in a man from when he starts the school, until when he graduates. Ethan is doing a great job and I know we are all proud of him. Next month, brother Dustin is supposed to speak on the second Sunday night of the month. I now you will be excited to hear him as well and to see just how far he has come in his preparation to proclaim the truth of God!

In connection to our second Sunday youth night, I am ever impressed with the level of skill and desire of our young men to learn how to become leaders in the Lord’s Church. All of our young men are doing a great job and improving so much in their confidence and abilities. Let’s all encourage your young men to be the best they can be and to do as much as they can in the service of our Lord, so that the future of the Lord’s Kingdom will continue to be bright.

Well, I hope you have a great remainder of the week and a great weekend. I look forward to seeing you Sunday as we assemble to worship God. It looks like it is going to be a nice day weather wise, so let’s get out, come prepared and be ready to serve our Creator. See you then. God bless!

ELDERS' CORNER:

Greetings from the elders at K.E.

The weather is getting more like spring. Maybe the bad winter is finally behind us.

Please continue praying for all who are having health problems. Brother Jimmie Barnes is in Springfield Health and Rehabilitation on Fort Street after suffering injuries when his truck left the road and overturned. Our brother Tim Giles has pneumonia and Deanna Giles is dealing with bronchitis. Several others need our prayers also.

We are having a great deal of shortage of donations to purchase the meals for our agape meetings. The last two meetings we were short over \$150. Please try to pitch in, where we can continue to have these meals and invite visitors to share. This is a great work and we want to continue.

Brother Jerry Sullins is in Florida doing some fund raising for our African Mission work.

Please continue to bring pantry items for the month of March.

Gary & Jerry

ELDER ON CALL FOR MARCH: GARY DALTON

The names of sixteen books of the English Bible are hidden in the text of the following paragraph. Can you find all sixteen of them?

I once made a remark about the hidden books of the Bible. It was a lulu. Kept people looking so hard for facts and for others it was a revelation. Some were in a jam, especially since the names of the books were not capitalized. But the truth finally struck home to numbers of readers. To others, it was a real job. We want it to be a most fascinating few moments for you. Yes, there will be some really easy ones to spot. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of them, and there will be loud lamentations when it is found. One little lady says she brews a cup of tea, so she can concentrate better. See how well you can compete. Relax now for there are really sixteen names of books of the Bible in this story.
