BULLETIN
RAY'S REMARKS:

Well, we had another wintry Sunday. However, it wasn't bad enough to keep most of us from being present Sunday morning. I also know there were many joining us online to worship God. I can't tell you how many positive comments we have about our ability to stream our service live over the Internet. We are certainly blessed with this capability and are thankful for those who make it possible. I want to again thank OABS for allowing us to air our services through their server! OABS is a great work of our Lord and they do a lot of good throughout this area and the world. We are thankful for this good work and their willingness to work with us in so many ways.

I am also thankful for brother Chuck, who organized all of this, got it set up and running, as well as being willing to train several of our members to help with it during services. We have many who are helping out like brother Tyler, Trey, and Luke and we are thankful for them all. Let's encourage these brothers to keep up the good work.

Next week we begin our next and final quarter at the BIM. I know the students are excited to see the end in sight. Let's continue to remember these good brothers in prayer, as well as those making preparations to come in August for our next class.

A big thanks to everyone so far in bringing needed items for our "Fill The Food Pantry" drive. Let's remember there are two more weeks left, and if you happened to miss a week try to make up for those items you missed. Our food pantry is a vital part of the work here at Kansas Expressway, and not only for our community, but also for many of our members in need from time to time. Keep up the good work in regards to this labor for Christ.

As you know this is a month with 5 Sunday's, which means we will have a potluck on the 30th. Let's all bring some good food, hearty appetites, and a desire to fellowship together in the sight of God. It's great to have such times with all of our family.

Also the 5th Sunday also gives us the opportunity to set aside some extra money to help with extra needs of the congregation here. Some of you are great to double your contribution or to give 1 ½ times what you normally give. Whatever you can do will extra will certainly be a glory to God as we try to make up for some budget shortfall (mainly due to the weeks with bad weather), as well as we are needing to cover some productions cost needs for the Living Word Program. Thanks for your help in regard to these important needs!

Well I look forward to us being together this coming Lord's day. It is always a blessing to gather with our brethren on His Day! Make sure you take time to prepare and come ready to give God your very best. I look forward to seeing you all this Sunday! God bless!

ELDERS' CORNER:

As discussed in our recent Men's meeting, we  
are going to begin to have a special service every  
fourth Sunday evening. It will include at least 30  
minutes of singing songs that are familiar to some of  
us but may be new to most of us. By doing so, we will  
be able to broaden the number of songs that we will  
be singing as we worship God together. Brother  
Robinson and I will work together in this effort.

There is a great need for a Bus Driver to  
replace sister Patchell. Because of a pressing need  
she has to care for her husband she is unable to  
continue to drive the Bus. We desperately need  
someone to do this work. It is a rewarding work as you  
will be responsible for helping others to come to  
worship their God. Please give this serious consider-  
ation. If you can only drive for one or two weeks out  
of the month that will help. Please notify one of the  
elders if you can help.

Please remember that we will be having a fifth  
Sunday coming up next week. We want to use this  
time to call upon us all to give extra to make up for the  
deficit we have incurred because of bad weather this  
year. Also, we lack about \$1000 to pay for the Living  
Word broadcast. As we are able, let's all try to help  
with the needs that have been mentioned through this  
special contribution. There will also be a 5th Sunday  
potluck on that day.

The trip made to Florida was a great success.  
Five churches were visited and all responded in a very  
good way. The works in Zambia and Uganda will be  
receiving support. Also I was able to make some  
contacts for future students for BIM. Hope to see  
you here at all our services. May God richly bless  
you.
