**RAY'S REMARKS:**

Last Sunday was another beautiful Lord's day and we were blessed to gather as God's people before His Almighty Throne! We had a good attendance on Sunday and everyone seemed happy and in good spirits. We also had several visitors with us. I know some were here for the Easter Holiday weekend. I hope everyone had a lot of fellowship and fun over this past weekend. It is also a great blessing to have such times to be with those we love on this earth. And although we have the privilege to celebrate the "Resurrection" of our Lord each and every first day of the week, it is still nice to enjoy some of these holidays from a secular standpoint.

I also wanted to take a moment and commend our youth for all the good work they do. Sunday Evening after services, they spent over an hour picking up trash from Kearney to I-44. Some also picked up trash in the field next to our property that is always overrun with garbage. They did this as a part of the "adopt a highway program." They all did a great job and had a lot of fun. I didn't hear one complaint! I think we all could learn a lot from our young people and their willingness to serve God. I am so proud of them and thank God for our Youth group at K. E. Why not make an extra effort to let our young people know how much they are appreciated.

**K.E. YOUTH/ TRASH PATROL!**

I hope to see you all in services this coming Lord's day! Until then, have a great weekend and put God first in all things. God Bless!

## ELDERS' CORNER:

Greetings from your elders at K.E.  
We are blessed with the rain on Monday and the nice weather this week.

Continue to keep those who are having health problems in your everyday prayers. Sister Retha will be having surgery on Thursday, so please remember her.

Thanks for our young people for cleaning trash off the side of the streets around our building.

Please be planning on attending every session of our spring lectureship. Speakers will involve our students and past students and instructors.

Hope everyone had a good holiday visiting friends and family.

We had a better attendance for our last Men's Fellowship Breakfast; still, we have room for more. Please try to attend the 2nd Saturday of each month at 8:00 A.M.

Love, Gary & Jerry
