THE K.E FAMILY LIFELINE

RAY'S REMARKS:

Well, our Lectureship got off to a great start! We had a good number present on Mother's Day to start our Lectureship off right. We also had some encouraging lessons from God's Word throughout the day. I was especially proud of brother Ethan, he did a great job and certainly shows us how much he has learned and applied from his time at the school. Ethan is going to do a great job in his work as an evangelist.

I am also excited about hearing the other proclamations of God's Word throughout this first part of this week. I know that brother Dustin will do a great job and I also know that our other speakers will do a great job as well. It is certainly a blessing to have such privileges to come together for several days to grow together in the Word of God. I hope we all will take advantage of such times as servants of God.

By the time most of you get this article, the lectureship will be on its final evening. Also Brent, Seth, Nikki, Hannah and I will be headed to St. Louis, so that we can catch our early flight Thursday morning. We plan to worship with the West End Church of Christ in St. Charles Wednesday evening. I know you will, but please keep our trip, our safety and its success in your daily prayers. I know God will use us to His glory and that we will be able to accomplish great things for Him while in Ghana! Lord willing, we will arrive back in Springfield on the 30th of May and we will be back at worship with you all on June 1st.

I also wanted to thank all of you who gave special contributions to the trip, or who helped some with their needed funds to go on the trip. I am always encouraged by the love shown by you all when special needs arrive in the work of the Lord. We have some great givers in our family at K.E.

Let me also remind you all that Camp will be here before you know it. We will be returning from Africa only a few weeks before we start our session. Anyway, I hope everyone is making preparations now and we look forward to having a great session this year to God's glory!

Well, I hope you have a great remainder of the week. I won't see you this coming Lord's day but you will all be in our thoughts and prayers. Remember, always put God first in all things and do His Will and you will never regret it! God bless!

ELDER'S CORNER:

Our thoughts and prayers are for those among us who are on their way and will soon be in Ghana, West Africa. Their purpose for going is to strengthen the work of our graduates in their work at the Ghana Institute of Christian Studies. GICS is a work of three of our graduates and the brethren in Ghana to train faithful gospel preachers. They will also be preaching in local churches and strengthening the church. Our prayer is for their work to be a great success and that they will return to us safely.

We have had a wonderful lectureship. It is hard to believe that it is our 10th. Isn't it wonderful to know that soon we will graduate two others who are taking their position in the brotherhood to advance the gospel of Christ here in the United States. Our gratitude is given to all of you who have supported this great work.

Don't forget those among us who are suffering from health problems. It is a daily struggle for many. Let them know you love them and care for them.

We had a great men's breakfast this past Saturday. Thanks to Bill Heavin and Wesley Ewing for the great food.

Hope to see you all at all our services.
