BULLETIN

RAY'S REMARKS:

THE K.E FAMILY LIFELINE

We had another great Lord's Day together this past Sunday. It is always a wonderful blessing to gather as God's people before His throne and to Praise and Worship His Holy Name!

The graduation ceremony was also a great success. We are so proud of Dustin and Ethan and their accomplishment in completing their work at the Bible Institute of Missouri. It's hard for most to realize the amount of work they go through for the period of two years. However, they both did it and did it well. We are also very thankful that both of these young men have found works to go to. Brother Dustin will be working with the congregation in Omaha, Arkansas, and brother Ethan will be working with the congregation in Booneville, Missouri. We know these men will both do a great job and we pray for their success to the Glory of God.

With these things in mind, let me also remind you that we have men who are preparing to start classes in August. Let's also pray for those who are getting ready to start their course at the BIM. As most of you know, Trey is starting in August and has already raised most of his support. I know all these men are busy raising money and preparing for this good work, so let's continue to pray for them all.

I also want to encourage us all to pray for our instructors at the school. Especially our full time instructors: brother Jerry, Chuck and Brent. These men are doing great things for the Kingdom of God in this area and throughout the world. We are well blessed to be a part of such a wonderful work of our Lord.

Another group I would like us to remember are the supporters of the BIM, as well as the faculty and students. There are countless congregations and individuals who support this good work. Please pray for these supporters that God will continue to bless them in their lives that they may continue to help with this good work.

Finally, let me say thanks to you, our good family at Kansas Expressway. The BIM is our work and we are blessed to have a part in such an important work of our Lord. I also am thankful for our elders and their vision to see that this good work, as well as many others we are involved in, continue to function and to accomplish great things for the sake of God. Let's all keep up the good work, give our best and know that great things are being done for the Lord, according to His Perfect Will.

Well, I look forward to our opportunity to worship together this coming Lord's day. I hope to see you all there. Also remember that our camp session starts this coming Sunday. Remember to put God first in all things and keep all things before His Throne in prayer. See you Sunday. God bless!

## ELDER'S CORNER:

What a wonderful day last Sunday at our 9th BIM Graduation. Two more men graduated and will now be taking their positions in the Kingdom to preach the gospel. Dustin McCrickard will be working as a full-time preacher for the Omaha, Arkansas church of Christ. I know he will do a very good work with that congregation. Ethan Young has accepted a position in Boonville, Missouri and will be moving to Boonville at the end of this month. He will be preaching full time with this congregation who needs a man who can stand and preach God's Word. Our prayers are with these two brothers as they begin their new works. A special thank you to all of you who continue to support the good work of the BIM in so many different ways.

Remember that our session at Camp Happy Hollow begins this Sunday evening. Many of you have helped make it possible for us to have a good session this year. Pray for the success of the Camp this year in leading young people to Christ and helping to mature those who are already Christians.

Our prayers are extended to Retha Beebe who has been admitted to the hospital. She is really having a struggle with her health and needs our encouragement. Also, let's not forget those of our number who are dealing with many health problems.

Men, try to attend our Men's Breakfast this coming Saturday morning. It is a way that we can keep in closer touch with one another and receive a spiritual uplift.

Hope to see you at all our services.

Jerry & Gary
