RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Wow, what a great few weeks we have had. First let me say, it is now official, Trey and Ruth are married. Everything went well at the wedding, and thanks to all of you who came to celebrate this special day with us. We had well over 150 present and what a blessing it was to share in this special time with family and friends. It's great to have them back from their honeymoon. They said they had a great time. However, I must admit it's a little strange not having Trey living at the house. I guess it's something we'll get used to. Thankfully we still get to see them a lot. Please keep Trey and Ruth in your continued prayers in their new marriage and in the many adjustments of their new life together. We love you all!

Sunday, a week ago, was also a great Lord's Day. We had a good number present with some visitors. It was also great to have some of my Dad's family who were still in town who joined us for worship. That also makes me think, we had lots of other family members on Saturday. A lot of Cindy's family was able to join us, as well as several from my father's family, and also a niece of my mothers. It was good to see them all. Again we say a big thanks to all who joined us for this wonderful occasion.

I also wanted to give a special thanks to those of you who helped our family with wedding preparations. Especially, Rosemary and Julie helped a lot to prepare for the wedding and reception. Thank you both. Also, as family does, many of you pitched in at the reception and helped to serve and take care of guests. Thank you, thank you, and thank you! We are blessed with a great family a K.E.

This past Sunday was also a great day of Worship. We were also blessed to meet a new brother in Christ named Jeremy, and his wife Lecie. Brother Jeremy is working toward being one of the students this intake at the BIM. That brings our number to five. Let's keep all of these good brothers in our prayers as they make preparations to come to the school. I know that God will bless them and their families as they commit fully to doing His Will.

VBS is also a huge success. We have had a good number present and the young kids seem to really be enjoying it. I also want to thank all of our teachers who are doing such a great job. It's also exciting to have some of our college age helping this year as teachers. We are blessed to have so many good workers at K.E. It's great to be a family that loves to serve God. Well, I hope you all have a great remainder of the week and I hope you start preparing now for this coming Lord's Day. There is no greater place to be than before God's throne with family on the Lord's Day. So, I look forward to seeing you all there and God bless!

It's All In The Hearing

A man feared his wife wasn't hearing as well as she
 used to, and he thought she might need a hearing aid. Not
 quite sure how to approach her, he called the family doctor
 to discuss the problem.

The doctor told him there was a simple informal test
 the husband could perform to give the doctor a better idea
 about her hearing loss.

"Here's what you do," said the doctor. "Stand about
 40 feet away from her and, in a normal conversational
 speaking tone, see if she hears you. If not, go to 30 feet,
 then 20 feet, and so on until you get a response."

That evening his wife was in the kitchen cooking
 dinner. He said to himself, "I'm about 40 feet away, let's
 see what happens." Then in a normal tone he asked, "Honey,
 what's for dinner?" No response.

So the husband moved closer to the kitchen, about
 30 feet from his wife, and repeated, "Honey, what's for
 dinner?" Still no response. Next he moved into the dining
 room, where he was about 20 feet from his wife, and asked,
 "Honey, what's for dinner?" Again, no response.

So he walked up to the kitchen door, about 10 feet
 away: "Honey, what's for dinner? Again there was no
 response. So he walked right up behind her and said,
 "Honey, what's for dinner?"

"FRED, FOR THE FIFTH TIME, CHICKEN," she shouted.

ELDER'S CORNER:

This week has been an exciting time for
 our children. Our annual VBS is almost
 history. It was a happy time when we saw our
 children enjoying the singing and the studies in
 their classes. Special thanks to Ray who
 organized our VBS and the many teachers who
 have done a wonderful work in the preparation of
 their class rooms and lessons for the kids. Also,
 thanks to all who made cookies and provided
 other services for our VBS. Events as this one
 can make a great difference in the direction our
 children will choose to go in the future.

We are happy to announce that five students
 are now in the process of beginning their studies
 at BIM on August 18th. They are: Trey Sullins,
 David Blades from Bolivar, Missouri; Thadd
 Valeika from Fordland; Brandon Hall from
 Dickson, Missouri and Jeremy Baker from
 Wilberton, Oklahoma. Three of these men are
 still in need of support. If you know of any
 individual and/or congregation that would be
 willing to support a student please notify us so we
 can follow up on the prospect. Pray for these
 brethren as they prepare themselves to come to
 BIM.

Remember our sick and shut-ins. They need
 our prayers and visits.

See you at all our services.
