RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

As always, God blessed us with a great Lord's Day this past Sunday. We had a good attendance and it was a beautiful day. We also had several visitors with us in the morning and the evening. It was good to have the Hall family with us Sunday night. Of course, most of you know by now that brother Brandon will be starting school this year.

It's hard to believe, but the BIM classes start this coming Monday. We have 5 students joining us for this new class. Dad mentioned all their names and where they are from in the "Elders Corner" last week. Their first names are Trey, David, Thadd, Brandon, and Jeremy. Several of these brothers are finished raising their support, however three of them are still trying to raise the needed funds to support themselves while at the school. Please keep them all in your prayers as they continue to raise support and as they begin their classes next Monday. Let's all encourage them as much as possible over the next few years.

Well, Chase started school yesterday (Tuesday). It is hard to believe that he is a 7<sup>th</sup> grader now. Trey starts his BIM classes next Monday, and Nikki begins her nursing school classes in two weeks. In this life, time sure goes by fast and kids sure grow up before you know it. I hope we all realize just how blessed we are and I hope we take the time to enjoy God's wondrous gifts on this earth, like family and friends. We are not getting any younger, so we better make the most of every day and every moment that God has given us in this life. No doubt God's blessings, promises and rewards will be worth our every effort.

Brethren, the Lord's Day will be here again before we know it, so I hope you are already committed to being present and giving this time to God. However, may we all take advantage of every day of life to give God our very best and to serve Him according to His perfect Will. The faithful of God will never regret obeying their Master! We are God's chosen and royal priesthood, so let's act like it and strive for holiness and purity in all things.

I'll see you Sunday for Worship. God bless!

# ELDER'S CORNER:

Greetings from the elders at K.E.:

We hope everyone is enjoying the great  
 weather and hope everyone is well.

It's exciting to have 5 men enrolled at the  
 BIM. We're sure these men will be great  
 preachers in the Kingdom. Pray for these  
 students and their families. Also, pray for the  
 instructors that everything they teach will be  
 approved by our God.

We still have many who are having health  
 problems; keep these in your everyday prayers.

Our VBS was successful as many came to  
 hear the Word of God.

Thanks to brother Bill and brother Wesley  
 for serving a great breakfast last Saturday. We  
 wish more of our men would take one hour of  
 their Saturday once a month to share the food  
 and most of all the fellowship at 8:00 A.M. every  
 second Saturday of each month.

Students are beginning to go to school;  
 pray for their success.

If you are in the Agape group meeting this  
 Sunday after morning services, please be there.  
 The leaders of these groups are doing a lot of  
 work. Let's show our support.

We know that all things work together for  
 good to them that love God, to them who are  
 called according to His purpose. Romans 8:28
