RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

We had a wonderful Lord's Day this past Sunday. We had a good number present for worship and a good group to stay for the agape meal. How blessed we are every Sunday to assemble together before the throne of God. Furthermore, what a loving church family we have.

Well, the Bible Institute of Missouri has gotten off to a great start. We started with chapel Monday morning and now the brothers have dived head first in their studies. It is certainly an exciting year to start with 5 young men and they all seem eager and energized to study the Word of God. Please keep these good men in your prayers as the reality of these studies set in. However, also remember them as several are trying to finish raising their needed support while at the school.

This coming Sunday is going to be another great one! Obviously we will be able to gather to worship God. However, Sunday evening we are going to have a Watermelon picnic. Please bring your sandwiches, chips and drinks and join us for this time of fellowship and fun.

I also wanted to remind you that the 5th Sunday is coming up. On 5th Sundays we have two things which we need to keep in mind. First, we always have a 5th Sunday congregational wide potluck. I hope everyone will bring their lunch so we can gather together with our visitors and enjoy this time together.

Also on 5th Sundays, we have our 5th Sunday contribution which goes for special needs which arise which are usually beyond the budget. This month we are going to try to give extra to pay off our church mower. At the end of last mowing season our older mower gave completely out and it was going to take thousands of dollars just to get it functioning again. The elders decided it was time to look for a new mower which would come with a warranty instead. We purchased a mower and at this time owe just under \$2500.00 to pay it off. So if you are able to give extra that we might take care of this need it would be a great blessing.

Well, I hope you have a great weekend and I look forward to seeing you this coming Lord's Day. Until then, God bless!

ELDER'S CORNER:

This week, classes started at the BIM for five men. It has been a time of excitement and some intense reality for these men as they realize what they are undertaking. Pray for them as they seek to become proclaimers of God's Word and for all the instructors as we teach them.

Many of our number have prayer needs for themselves as well as friends and relatives that are suffering. Please keep them before the throne of God in your daily prayers. Let them know we care and they are loved with your cards or visits. Pray especially that the lost and dying of this world come to repentance before it is everlastingly too late.

Keep in your prayers those who have lost friends and loved ones and are in mourning. Keep our widows in your prayers, also.

Remember our Watermelon Picnic is this Sunday after evening services.

Please remember that next Sunday will be our fifth Sunday. We have a potluck planned and encourage you to help by giving extra to help our budget needs, specifically, paying off our mower.

See you at all our services.
