RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

I hope everyone is having a great week and I hope you are ever busy in the Kingdom of God! There is so much we can do on a daily basis to let our light shine in this world. I hope we are each acting like we should, speaking like we must, and setting a good Godly example in every aspect of our Christian life. We must always keep in mind that it is often through us that the world meets Jesus, and thus they are encouraged to know more about Him. Will you be the daily example you need to be for your God?

Another great opportunity we have as Christians is to be there one for another. We all go through various stages of life. We each have our good days and bad days, good weeks and bad weeks, good months and bad months; however, the great news is we have God and each other to make it through every day. We are so blessed to have our brothers and sisters in Christ to lean on in times of need. May we never forget just how blessed we are to have others in the good fight for Jesus. So, let's make sure that we all do our part to be there for others, knowing that they will be there for us then we need them as well.

With that in mind, we have several of our number who are dealing with various trials of life. First, let's remember our sister Laurie Slider in the loss of her father. Let's keep her and brother Glenn in our prayers as they travel during this time, but also let remember them in their need of comfort during this loss. Also keep in mind that we have others who are dealing with various health issues. Especially sister Retha, who is once again in the hospital due to her health. However, we have others who are really struggling right now as well as shut-ins at home. So let's keep those in our prayers as well. Please make sure and read over these special prayer needs in this bulletin and pick up an announcement sheet as well. Prayer is a powerful tool in the arsenal of God!

Finally, let me remind you about the 5th Sunday Potluck and the 5th Sunday contribution. These are several more opportunities for us to serve God and to show others our love for Him. I would encourage us all to take advantage of every chance to do more for God!

Well I hope you all have a great Lord's Day this coming Sunday. Cindy the kids and I will be visiting her parents over the Labor Day Weekend, and we will miss you all. However, no matter where we are, let's make the effort to be present to worship God and to give Him our very best. See you next week! God bless.

THANK YOU:

Dear Kansas Expressway church of Christ,
Thank you so much for your generous gifts of school supplies and funds for our students at Watkins. We always have such a need and your church is always so faithful to help meet those needs. We appreciate you all. Thank you.

Watkins Elementary

Thanks for your support in our work in Hickory County. It means a lot. Thank you!

Kent & Angel Eakins & other members of the Hickory County church of Christ
(KE sent funds to help out a special request from the church where brother Eakins preaches.)

ELDER'S CORNER:

Hope everyone is having a great week. This past Sunday was a good day, Ray as always did a good job on Sunday A.M. and Jerry presented a lesson on the African work in the evening hour.

BIM is going great; we had all five students and their family and friends here Sunday P.M.

We had a good turnout for sandwiches and watermelon. Big thanks for all who helped with this.

We need to keep sister Retha in all of our prayers as she is having a very hard struggle with her health. Keep everyone who is having health problems in your prayers.

Tom and Anita are in Texas for a checkup. Pray that everything goes well.

Thanks to the Medleys for all they do to keep our Building clean and comfortable.

This Sunday will be our 5th Sunday. We are trying to raise enough money to pay our mower off so we won't have to pay monthly. Also, we will have a potluck dinner after morning services. Try to attend and bring extra food so we can invite our visitors.

We are going to have a pantry drive the month of September. Let's all help fill our pantry again.

Gary and Jerry
