BULLETIN

THE K.E. FAMILY LIFELINE

RAY'S REMARKS:

Hello brothers and sisters! I hope you all are having a great week. I also hope you are still enjoying the great weather we have had. We are only a few days away from fall (officially). However, it already seems like the nicer weather has arrived and is here to stay (at least we hope so). Can you believe the rain we have had today (Wednesday). We sure need it and it has really been a gusher. The only problem is on a day like this you kind of like to be lazy. You might even be tempted to take a nap later on. Whatever the case, let's all enjoy the continuous blessing of God as we live on His earth!

We had a great Lord's Day this past Sunday. We had a good attendance and lots of visitors. There were also some visitors who stayed for the Agape meal. It is a blessing to come together each first day of the week to worship God. However, it's also a blessing to share in other times of fellowship among our family. We are truly blessed by God!

This week we have several that need to be remembered in prayer. I want to especially thank you all for remembering my father-in-law who continues to struggle with his health and with getting his strength back. It is great to have the avenue of prayer to petition our God, and as well to know that He hears and answers our prayers. Let's continue to keep all those on our prayer list before God's mighty throne.

Near the end of this week I will have the opportunity to join many of the brethren in Saint Louis for an Area Wide Lectureship which many congregations there host each year. I will specifically be with the West End Congregation and I look forward to sharing in this time of spiritual growth with these good brethren. Please keep me in your prayers as I will be leaving tomorrow, and will be returning on Saturday. I look forward to being back in Springfield and seeing you all this Lord's Day for worship.

Well I hope you have a good remainder of the week. I hope to see you at our midweek services tonight. Furthermore, I know you will want to be present to give God your best this coming Sunday. See you then. God bless!

ELDER'S CORNER:

Let's remember Leon Wake in special prayer these next few days. He is to undergo a serious heart procedure this coming Friday at Mercy Hospital. We do hope and pray that all will go well.

Our Men's Breakfast was well attended last Saturday. We had some new faces there. We would like to encourage our men to take advantage of this great time of fellowship together. Not only is the breakfast always great provided by brothers Bill Heavin and Wesley Ewing but we always enjoy a devotional centered around the needs of the men of the church. Hope to see you at our next Breakfast in October.

The Monday night class at BIM on the preacher and his work is going well. We have several fathers who are attending with their sons. We also have 5 men who are coming from three other congregations. All of these men will be more effective workers in the Kingdom.

Remember our meeting with brother Max Patterson is approaching rapidly. October 12-15 are the dates. We encourage all of our members to strive to be at every meeting.

Hope to see you all at all our services.
