BULLETIN

THE K.E. FAMILY LIFELINE

RAY'S REMARKS:

We sure missed being with everyone last Sunday. However, as most of you know by now, Cindy's father passed away last Friday evening. We certainly will miss him and mourn his loss. He sure put up a good fight for many years as he struggled with cancer, and the doctors thought that he could only make it two years. Well, he was determined and proved them wrong and was only a few days away from making it four years.

I loved my father-in-law and he was very special to me. We had a great relationship and I will always cherish the times we spent together. There won't be too many days that go by that I don't think of him and remember the precious man he was in my life and the life of my family. Please remember Cindy, the kids and all of our family in prayer during this difficult loss.

I also wanted to thank all of you for your love and kindness during this time. We have received so many messages and words of encouragement. We are so blessed to have a church family like you. It is in times like this that I am reminded of just how much our family is loved. Furthermore, I am reminded of how wonderful it is to be a Christian and to have a church family. We love you all.

Hopefully, Cindy and I will be returning late today (Wednesday). The kids all returned home on Tuesday and arrived safely yesterday evening. So we look forward to being back with you all this coming Lord's Day.

I also would like to thank all those who helped in my unexpected absence. I know Dad and Andy did a great job on Sunday and I really appreciate their help. It's a blessing to know that we have so much talent at K.E., and to know that there are so many willing to help in times of need.

Finally, let me say that I had a great and encouraging time at the Lectureship in St. Louis last weekend. It was a blessing to be with the good sound brethren there at West End Church of Christ, as well as with all those other congregations which were represented. It is so encouraging to know that there are others of like precious faith still out there doing the work of God, in a religious world that is so inundated with society, self and doing it their own way. I am thankful for the faithful of God who are still busy in His work throughout the World.

I look forward to seeing you all this Sunday. Until then, put God first in all things and you'll never regret it. God bless!
