RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

I hope everyone is having a great week so far! We certainly started this week out with a wonderful Lord's Day. We had lots of visitors on Sunday and it was certainly a blessing to be together with our family to worship God.

Don't you love the weather lately? It has been so nice and beautiful outside. It just makes you want to get out of the house and do something in the great outdoors. It certainly is a wonderful time of the year. I have also noticed that the leaves have begun to change. Fall is an exciting time of the year and very enjoyable to be with those you love in God's wondrous creation.

Well, the first quarter at the BIM is history. Everything is going well and God continues to bless the students in their endeavors. We are so proud of the good job our men are doing. They all seem to be very focused on their studies and excited about their opportunity to grow in the Word of God. Please keep them in your prayers as they continue their preparation to labor in God's Kingdom.

Brethren, we have several of our number who are really dealing with some serious struggles in their lives. Let's remember them all in our daily prayers. I want us to especially remember Tom Long in his treatments, also, sister Retha Beebe in her health. We also need to remember sister Pat McCarty as she recovers from her surgery. We obviously have many more on our prayer list and we need to keep them all before God's throne daily.

I look forward to you seeing you all tonight for Bible Study. I also hope we will all commit to being present this coming Lord's Day to worship our God together as commanded. Worshiping God with those we love is one of the greatest opportunities and privileges we have as Christians. We are truly blessed as Children of God!

## WOULD YOU BE RE-ELECTED?

LET'S SUPPOSE you, as a member of the  
Lord's church, had to run for membership in the  
church each year, and your selection depended  
upon what you had done for the Lord in the past  
"term."

LET US FURTHER SUPPOSE that your re-  
election depended upon the "record" of your  
attendance of Sunday school and worship services  
on the first day of the week and midweek  
services. What about your contribution? Should  
you be glad to make it public? And how about your  
record on inviting others to worship and hospitaliy,  
friendliness, etc. Would you be re-elected each  
year?

Peter says, "MAKE YOUR CALLING AND  
ELECTION SURE."

## ELDER'S CORNER:

Fall is here. During this season  
we see the beauty of nature and within it we  
get a glimpse of God, Romans 1:20. How  
blessed we are by our Father in heaven! He  
has not only made us but He sustains us  
throughout our lives. Praise be to Him!

Remember in your prayers those of our  
loved ones who are dealing with difficult  
health problems in this life. Pat McCarty is  
on her way to a complete recovery. Tom Long  
is making progress in His ongoing battle with  
his health. Ken Lee is healing from his recent  
surgery. Rebecca Hathcock is in great need  
of our prayers. We are thankful for every  
way God has blessed us all as we deal with  
these difficult times. Our prayers are for all  
of those whom we know and love who are  
dealings with life's struggles.

A special thanks to our young people who  
are going each month to encourage many of  
our members who are unable to come to  
services. Also, we are thankful for those who  
assist them in this good work.

Hope to see you at all our services.

Jerry & Gary
