THE K.E. FAMILY LIFELINE

RAY'S REMARKS:

Sunday was a wondrous Lord's Day in so many ways. We had a great number present to worship God, with several visitors. The weather was also gorgeous with lots of sun. We have certainly had a beautiful fall and God has blessed us with some really nice weather. However, it sounds like the cold stuff is on the way and by the end of the week we might have our first freeze!

I really love all the glorious sights during this time of the year, as the leaves change and fall through the air, and then blanket the ground with such beautiful colors. We have a few trees in our yard that are really nice and as I drive around town, I see lots of eye opening sights. Anyway, let's enjoy such time throughout the year when we are reminded of the great power and majesty of our God. He is certainly powerful and able to do all things for us. We are definitely His blessed creation!

Well, another quarter is underway at the BIM. This quarter I will be teaching the second half of a class called the Synoptic Gospel, which is a study of the Gospel accounts of primarily Matthew, Mark, and Luke. In this study we look at the life of Christ as it is recorded within these books and we will study all events in His life up to and through his resurrection. We will cover the Gospel according to John in another class! Anyway, please keep our students, their families and all their supporters in your prayers. We are all doing a great work together through the BIM to God's glory.

I am also excited that we have already had two commit to our next class which will begin next year. We also had a visitor earlier this week who wants to come and start next year. He has started the application process. Please pray for these brothers as they begin to make preparation to come.

Anyway, we have a lot to be thankful for as God's family at Kansas Expressway, because we continue to accomplish many great things for the sake of God, unto His glory, and with His help! Let's keep all of our good works in daily prayer so that God will bless our labors in His service.

I hope you will be at services tonight. We will have our 5th Wednesday Devotional period where we focus on a specific topic and worship God together. Remember that the Lord's Day will be here before we know it. Let's make sure to prepare ourselves that we might be ready to give God our very best. See you Sunday. God bless!

Rules For Growing Christians

Don't neglect your prayer time. It is the breath of the soul (Luke 18:1).

Don't neglect your Bible. It is your sword for conquest, your hammer for construction, your guiding light for dreary days (Rev. 1:3).

Don't neglect your body. It is the capital on which you are to do business for the rest of your life (1Cor. 6:19,20).

Don't neglect your mind. It is your channel for reaching up to the very thoughts of God (Phil. 4:8).

Don't neglect your laugh. The Bible teaches that "A merry heart does good like medicine" (Prov. 17:22).

Don't neglect your reputation. It is the gold with which you will meet the demands of a complex civilization (Mt. 5:14-16).

Don't neglect your influence. It will point others to the living God whom you serve (Prov. 11:6).

ELDER'S CORNER:

Greetings from your elders at Kansas Expressway church:

The fall colors are so beautiful this year. Thank God for blessing us in the changing of the seasons. Jerry and Edith took ten ladies to view the beauty of God's creation on Tuesday, in what is becoming an annual tradition for our widows. They saw many beautiful trees on the trail in Ava, and stopped for dinner at Ruby's. They finished off with double ice cream cones that are still 5 cents a dip at the Ava drugstore.

Agape groups one and four are meeting this Sunday after morning services. If you are in those groups, please try to attend and bring the items that your group leaders asked. This is such a good way for fellowshiping the brethren, and the food is always good.

Continue to pray for brother Tom and sister Anita, Pat McCarty, Ken and Carolyn Lee as they are having health issues. Keep brother Ray & family in your prayers too, as they work with the congregation.

Keep the Medleys in your prayers as they do a good job in keeping the building clean. We don't thank them enough for always having the building open, warm and cool. They always have the communion ready for our worship.

Pray for the students and the teachers at the BIM, also the schools in 3 different areas in Africa.

Love, Gary & Jerry
