BULLETIN

RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Well, the cold weather came in with a vengeance, but then the same has come back out for a few days. This Ozarks' weather is just the craziest thing. I have lived all over the world and have never seen anything like it. Oh well, at least the weather has been nice and relatively warm during the days.

Sunday was great day for God's people. I really enjoyed our opportunity to praise God and to gather to Worship Him. We also had a great Agape Meal after morning services. We had one of the biggest crowds we have had in a long time. There were also several visitors who stayed and shared the meal with us. It was nice to meet them and spend a little time with them.

This week has also been an exciting week at the BIM. On Tuesday, Brandon gave his first sermon at the school. He did a great job and is going to make a fine preacher. I just think of how happy his grandfather would be, Jim Merideth (a long time preacher from Crocker who has now gone on to his reward). I know it would have been a great day for him to see Brandon in the school and presenting his first lesson. May God bless Brandon and Jennifer as they continue to serve their wondrous Creator!

Today was an exciting day as well. Trey preached his first sermon during chapel. Although he's always been a great kid, and done some wonderful things in his life; I can remember few times when I have been more proud of him. He is doing such a great job and taking his studies so seriously. I love him so much and thank God for his love for God's Truth, as well as his willingness to prepare to do the greatest work on earth – preach the Gospel. I know God is going to bless Trey and Ruth greatly as they continue to put Him first in all things.

Next week, we will have the privilege of hearing the first sermon from David and Thadd. We are eager to see their growth as well. Please keep all of these brothers in your prayers. They are doing a great job, but they have a lot more work to do in their preparations. May God richly bless them all!

Well, I look forward to seeing you all in services this coming Lord's Day. Please remember to put God first and to be present to worship Him! See you Sunday. God bless!

ELDER'S CORNER:

Recently we have been blessed with many visitors who have come to be a part of our assembly. I see that many of us are active in greeting the visitors and making them feel at home. In your visits please encourage each visitor to sign our registrar and/or fill out a visitor's card. Our visitors represent souls that need encouragement and in many cases teaching that will lead them on the pathway to heaven. Let's let anyone who visits us leave thinking that they have visited a group of Christians who love God and them.

Our thoughts and prayers are with Dedra Green in the passing of her father this past week, and also with Ruth Sullins in the passing of her grandmother.

Remember in your prayers sister Retha Beebe. Almost every week she has to be checked into the hospital for treatment. We are thankful for the recovery of Pat McCarty. She should soon be back with us once again. Please keep all of our members in your prayers who are listed on our sick list.

Men, remember our monthly men's breakfast is this weekend. Hope to see you there for a very good time together.

Hope to see you at all our services.

Jerry & Gary
