BULLETIN

THE K.E. FAMILY LIFELINE

RAY'S REMARKS:

Brrrrrrrr! Can you believe these crazy temperatures? On Monday it was over 70 degrees, but today (Wednesday) it is below freezing and even in the 20's this morning! I guess we can safely say that winter is here, although I don't think we have officially made it to the actual date (December 21) as of yet. Someone forgot to tell the weather that it's not time for winter yet, because the fact is, it is here!

The reality of winter makes me realize that this year is getting near the end! Here we are already almost half way through November! Thanksgiving will be here before we know it and Christmas is just around the corner. It will be 2015 soon, so we need to start considering how things are going in our lives right now, and we need to make sure we are making the most of every day. We are a blessed people of God, but as we are ever reminded of the brevity of life, we need to make sure we are giving God our very best. Let's all spend some time looking over the great blessing of life and determining if we are being good stewards of the time we have been blessed with!

This week has been an exciting week at the BIM. We have, again, had some of our students preaching their first sermons. Yesterday, Thadd (from Fordland) preached his first sermon and did a good job. He was really nervous, but he seemed to conquer his fears enough to get the job done. Sometimes, it is that first step that is the toughest. I know he will continue to grow and do a good job as long as he puts God first.

Today, brother David (from Bolivar) preached his first sermon. Once again we were all very excited and surprised by the good job this brother did. Our students this time seem to be doing such a good job and are very serious in their preparation to preach the gospel. It is a wonderful blessing to see them all growing in the Lord. Please keep them all in your prayers as they do this good work!

Another exciting event was on Monday night. We have been having the preacher's class for all ages this quarter. On Monday night some of our young men and boys preached their first sermon, of which Chase was amongst. I was so proud of Chase, he did an excellent job. He really has a deep interest and love for the Gospel and a great desire to prepare himself someday to be a preacher as well.

We also had brother Diego present his first lesson. He did a wonderful job and I was so proud of his love for presenting God's Word. Brother T-Roy also presented a great message. I was so impressed by his strength at 9 years old to take on and accomplish such a task.

Brother James Cartwright and Tyler Reid also presented messages and did wonderful jobs. We look forward to more lessons next Monday. Brethren, it is truly a blessing to see such interest in serving God and such love for His truth and its proclamation. Praise be to God!

I look forward to seeing you tonight at our mid-week services, as well as seeing you all in services this coming Lord's day. Have a great weekend and

ELDER'S CORNER:

Words from your elders at K.E.:

We had a good turnout for the Men's Breakfast last Saturday. If you were there, tell someone how good a meal and fellowship we had. Also, invite them to our Saturday morning meals.

The Monday night classes are going well. We have young men who are developing into good speakers. Pray for them.

We need always to keep our sick ones in our prayers: Brother Tom Long and Anita, sisters, Pat McCarty, Retha Beebe and Carolyn Lee.

Big thanks to the Medleys for stripping and refinishing the floor in the Fellowship Room. It looks great!

The fall holidays are fast approaching; We always have a good time with family and friends. Be sure you put God first. Don't forget Hebrews 10:25.
