BULLETIN

RAY'S REMARKS:

What a great Holiday season we have had so far. It has been so much fun to spend time with our church family. Thanks to everyone who was able to come to our holiday parties last weekend. It was a real blessing to have you in our home. In our two parties, we had around 70 brethren represented; that's almost half of our congregation. It was wonderful to have so many of you join us for this time of good clean fun.

I understand the other holiday parties have been a success as well. The youth group had a great time at sister Mary's house. We are blessed to have so many in our congregation who are willing to be hospitable and to share the love of Christ with others. We thank Mary for her love and care for our young people.

I also heard that Sunday was a great day as our youth group went singing to the shut-ins. Our minibus was full (except for one seat) and there was even a vehicle which followed the minibus. I am so thankful for our young people and for their love and interest in serving others for the sake of Christ.

Our Agape meal was also a success Sunday. We had a good number stay with us and share in this meal. Thank you to all who stayed and made this time of encouragement possible. We are truly a blessed family of God.

Please keep in mind that this coming New Year's Eve falls on a Wednesday night. This means that we will have our regular New Year's Eve get together after our Wednesday evening devotional period. So bring some snacks, games and whatever you like to make this a great time of fellowship as we ring in the New Year together. Near midnight, we will spend some time reading scripture, praying, and thanking God for another blessed year, as we usher in the New Year together. Hope to see you all there!

Brethren, please keep our family in prayers who have special needs. Especially, those of our number who have lost loved ones. Let's remember Donny Gardner and his family in the loss of his grandpa. Also let's remember April Rankin, in the loss of her mother. We also have others who continue to deal with various health issues. Let's keep all of these before God's throne in prayer!

Well, I look forward to seeing you all this coming Lord's Day for Worship. Make sure to be present and properly prepared to give God your very best. See you then! God bless.

**ELDER'S CORNER:**

The holiday season is upon us. Several gathered at Ray and Cindy's home last week. It was a good time with food and fun. We want to thank them for opening up their home for us. Hope everyone has a great family time this holiday season.

We have so many struggling with health problems that we need to keep in our daily prayers: Tom and Anita Long, Ken and Carolyn Lee, Retha Beebe, Pat McCarty and all the ones confined to home or nursing homes.

We need to keep April Rankin and family in our prayers as her mother passed away this past week, and the Gardner family in the loss of Donny's grandfather.

The year 2014 has been a good year with many baptisms, especially our young people. We are blessed to have such a good group of young people. The elders are very proud of all our youth.

Our new budget is being prepared along with our new church directory. Thanks to all who have helped with this.

Gary & Jerry
