RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

I hope everyone is having a great week so far and I pray that we are all striving to give our best to God each and every day. Last Sunday was a wonderful Lord's Day together. Despite the cold weather and the slick conditions, we still had a good number present and even some visitors. We sure have missed our family who has been unable to get out due to these conditions, but it looks like this Sunday is shaping up to be a really nice one with temperatures in the 50's. So I look forward to us all gathering this Sunday to praise and magnify the name of our Perfect God.

Another thing I want us to ever be mindful of, are the many shut-ins in our congregation. I know sometimes they feel forgotten and unloved, despite the fact we all love them very much. I hope we'll all make an extra effort to let them know we care by cards, calls and visits. All their information should be up-to-date in our new directories.

We also have quite a few dealing with various health issues; future surgeries, past surgeries which some are recovering from, etc. Let's be mindful on a weekly basis of those who need our extra attention and prayers. Certainly, having family behind us is what makes these trials much more bearable.

Well, we have completed another quarter out at the BIM. Our students are doing well and some are continuing to improve as they get used to the difficulties of their studies. I'm not sure many of you realize that these men are covering 4 years of studies in less than 2 years. At first I think it is quite overwhelming, but these four men are now into the swing of things and doing well. We start a new quarter on Monday and I will be teaching the books of Corinthians. Please keep these men and this good work in your prayers. As soon as they are ready, you will get to hear some of these men preach in the near future on Sunday nights.

I look forward to seeing you all this Sunday as we gather to Worship our God! It will be a great Lord's Day as we come together to Praise our Creator. Remember what Paul said, "Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us," Ephesians 3:20. We serve a great God!

WHEN JESUS SAID,
"Go ye into all the world,
and preach the gospel
to every creature"

(Mark 16:15"),

He was in principle
commissioning every believer.

This is more than a simple command

or a stoic obligation.

It is a rare privilege

and represents a primary purpose

in living the Christian life.

We are saved to save others,

found to find others.

We either seek others

or we eventually

lose our faith.

Christ will not linger long

in a

selfish

heart.

ELDER'S CORNER:

The New Year has blessed us all with a New Year! It is our choice as to how we use it. If we do as our God has instructed us to do, that is, to put our priorities in proper order, the New Year will be a blessing to all of us. As He said, we must love Him with all our heart, soul, mind and strength and also love others as we love ourselves. If we truly practice this principle, no matter what may come, we will live a happy life in 2015. Let us encourage each other in doing so.

We extend our deepest sympathy to Peggy Cummings over the passing of her mother, Mary Jane Haddock. Losing a Mother is one of the most difficult things in life. Our prayers are with the Cummings family during this time of grief.

Many of our loved ones are experiencing serious health problems. Our prayer is that God will bless them with a full recovery. All of those struggling need us. Cards and calls will do a lot to help them through these difficult times.

Our BIM students will begin their third quarter of studies next week. We are proud of the effort they are making to train to be proclaimers of His Word.

Hope to see you all at all our services!
