RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Hello brethren! I hope and trust that you are having a great January so far. If you're like me, things have been a little hectic since the holidays, but hopefully they will settle down before too long.

Wow, Sunday was a great Lord's Day spiritually and weather wise. It is the first time this year that most of our family was able to be present. The bad weather has hindered some from being able to assemble with us for worship, but we had a great number present Sunday morning. There was also another Agape meal gathering after morning worship. Oh, how sweet it is to spend time together as God's people. It is great to be in the family of God.

It is great to hear that sister Reva's surgery went well. She told me yesterday that she might get to go home later this week. We are also thankful for sister Carolyn Lee's continuous recovery from her back surgery. She is still in rehab, but hopefully she will be able to go home soon, as well. We have others who continue to struggle with health issues. Let's especially remember sister Retha with her health; she continues to struggle to have the strength that she needs. Let's pray for them all!

We also have some of our number who face surgeries in the near future. Please remember my sister Laurie as she will be having a kidney removed next Monday. Also, I would ask us to remember brother Alan Fischgrabe in prayer. His health continues to deteriorate and he needs a lot of encouragement these days. Let's all make an extra effort to pray for and encourage all these with special needs. The love and care of the brethren is certainly an important part of any trial of life or recovery!

Finally, I might mention that on Monday I talked with brother Williams Anarfi, from Ghana. Things are going well in the work there and the school is off to a great start. Please keep this good work, as well as the works in Zambia and Uganda in your daily prayers. We have some great workers in God's Kingdom in Africa. Thanks be to God for their good efforts.

Well, I hope you all have a great weekend and I look forward to our gathering this coming Lord's Day before God's Throne to Praise His Wondrous Name! In the meantime, remember that those who serve the Lord and give God their best are always blessed beyond measure! See you Sunday! God bless!

We are so blessed to have this church family.

"But I say to you,
love your enemies,
bless those who curse you,
do good to those who hate you,
and pray for those
who spitefully use you and persecute you
that you may be sons of your Father
in heaven..."

Matthew 5: 44-45

ELDER'S CORNER:

Greetings from the elders at Kansas Expressway church; sure hope everyone is having a good week.

Earlier this week, sister Reva Lewallen underwent back surgery. We have so many that are in poor health. Hope you are keeping all of them in your every prayer. Remember sisters Pat, Nancy, Carolyn & brother Ken, sister Retha and many others.

We want to thank all the young people for their interest & dedication in the work here.

A big thank you, for all the bible class teachers who are doing a great job. Also to Ray for his endless work here.

Men, remember the Saturday morning breakfast will be on the 7th of February instead of the regularly scheduled 2nd Saturday. Please be in the group that meets and has a good time sharing our fellowship with one another.

Don't forsake the assembly for worship on Sunday. We are commanded to do so.

Love to all,

Gary & Jerry
