FEBRUARY 1, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Despite the fact that it is January, we have sure had some nice weather lately. It has been wonderful to get outside some and enjoy God's beautiful Creation! Today is supposed to be the warmest day in a while with temps into the high 60. Wow, we had better enjoy it!

Lately, we have had a lot of folks dealing with seasonal sickness, health issues and even surgeries. I thank God that we continue to see improvement in all of those who are dealing with these various trials of life. This week, sister Carolyn is at home and continues to recover from her surgery. Also, sisters Nancy Livingston is still needing prayers in her recovery. She has had a little bit of a setback, but it seems she is back on track now. Laurie's kidney surgery also went well and she seems to be recovering fine. Hopefully she will get to go home later today. Let's remember all of these and more who are on our prayer list. Especially brother Tom, sister Retha, and sister Reva in their health. God certainly hears our prayers and answers them for the best. We are true a blessed people!

I am always amazed at the many responses we get from the Television program on a weekly basis. From time to time I like to remind you that we have requests every week for Bible Materials of all sorts, included request for CD and DVD's of the program. However, another area I see a continued response in, is by word of mouth. On Sunday I was talking with one of our college age young men and he told me that his girlfriend's parents knew of our congregation through the television show. They are not members of the church of Christ. Another lady I met on Monday said she knew who I was from the program as well. I regularly hear similar stories from many of you. All this reminds me of the need that the television program continues to meet in our area. Many denomination people who won't visit our services and who might never invite us into their homes, watch the program on a weekly basis and thus they hear the Truth of God's Word. I also consider the fact that there is no other way in which we could reach that same people or audience in any other way or through any other form of media. This is exciting to me and gives me great encouragement and a challenge to keep on keeping on. Oh, that the hearts of those who hear the Word through the Living Word Program might turn to God and have obedience to His Will. Thank you all for your part in this good work and your commitment to see that it continues as long as it is fruitful in the service of God.

Well, I hope you all have a great remainder of the week. I look forward to our gathering before God's Throne this coming Lord's Day. I know they say the weather might be a little bad, but I hope you are all able to assemble before God on His Day. See you then! God bless.

The Art of Marriage

The art of marriage is never being too old to hold hands.

It is remembering to say "I love you" at least once a day.

It is never going to sleep angry.

It is having a mutual sense of values and a common objective.

It is standing together facing the world.

It is forming a circle of love that gathers in the whole family.

It is speaking words of appreciation and demonstrating gratitude in thoughtful ways.

It is having the capacity to forgive and forget.

It is giving each other an atmosphere in which each can grow.

It is a common search for the good and the beautiful.

It is not only marrying the right person, it is being the right partner.
