FEBRUARY 8, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Well, I'm once again reminded today that I live in the Ozarks since we are starting out with a completely sunny day and it is supposed to get up to about 40 degrees; however, by this afternoon it is supposed to get really cold and snow is on the way! We have some of the craziest weather here.

I am amazed that we are already in February of 2015. Can you believe how fast the months go by? I know we all stay crazy busy, but I hope we don't let life pass us by without enjoying the many blessing which God has given us in it! I'm ever astonished at the many things which God has done and is doing for each of us. We are a greatly blessed people and we have so much to be thankful for. I hope we will never forget this truth and that we will always show our thankfulness to the Creator for all of His Wondrous Benefits!

This Sunday is going to be an exciting Lord's Day for many reasons. First of all, it is going to be a beautiful day and we are going to be able to gather with our family and Worship our God. However, another exciting reason is because our second Sunday night of each month is our youth night. This Sunday night Trey is going to preach his first sermon for us, since starting school. I know he is crazy nervous about it, but I think you will all be amazed at his progress so far. All of our students are really doing a good job, for only being in school for a few quarters now. Over the next several months we hope to have all of our present students preach for us on the second Sunday night of the month. Let's all be present and encourage these young men in the endeavor to become proper proclaimers of the Wondrous Message of God. I am always encouraged by all of our young men and their willingness to use their skills to serve God. We have a great group of young folks at K.E.

Finally, let me say I am so thankful for our answered prayers in relationship to those of our number who are struggling with various health issues, trials and recovery from surgery. God always answers prayers for the better, but he has blessed us lately with answering our prayers as we have made request and as we desire. The Bible says that the "effective fervent prayers of the righteous avail much," and certainly we have seen this to be true in our family. So let's all continue to remember the great power of prayer and keep our needs and the needs of others, regularly before throne of an Almighty and all powerful God. God always blesses the faithful!

I hope you have a good remainder of the week and I hope you will be present this Sunday to Worship your God with your brothers and sisters in Christ. I look forward to seeing you all as we assemble. God bless!

God's Valentine Gift

God's Valentine gift of love to us
Was not a bunch of flowers;
It wasn't candy, or a book
To while away the hours.

His gift was to become a man,
So He could freely give
His sacrificial love for us,
So you and I could live.

He gave us sweet salvation, and
Instruction, good and true--
To love our friends and enemies
And love our Savior, too.

So as we give our Valentines,
Let's thank our Lord and King;
The reason we have love to give
Is that He gave everything.

ELDER'S CORNER:

Many of our number are going through some difficult times with sicknesses, surgeries and many other health issues. Our prayers are with you all. There are better days ahead for us all. Please contact us when you need help.

We are in a special drive to fill our pantry. We do have several come each week that are looking for something to eat. It is good to be able to give them help and as well invite them to services and give them tracts, etc. If we all do our part we can fill our pantry by the end of the month.

Several have signed up for the upcoming men's breakfast this coming Saturday. Come and enjoy the fellowship as well as some encouragement from God's Word.

This coming Sunday night, Trey Sullins will be speaking to us. Soon our men who are training on Monday nights will present lessons. We are having great sessions on Monday nights with excellent attendance. Our four students at BIM are rapidly developing into gospel preachers.

Hope to see you all at all our services.

Retha Beebe has moved.
Her new address is:
408 S. Weaver
Springfield, Mo 65806

Now by this we know that we know Him, if we keep His commandments. He who says, "I know Him," and does not keep His commandments, is a liar, and the truth is not in him. But whoever keeps His word, truly the love of God is perfected in him. By this we know that we are in Him.
