FEBRUARY 15, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Sunday was another great Lord's Day for many reasons! First, we were able to approach God's Wondrous Throne and to worship our Creator. We were also blessed to have some of our own family back with us who have been out with health issues for quite some time. Another great blessing was our visitors on Sunday. It is always wonderful to share such times together before our God; we are certainly a blessed people!

Sunday night was another exciting highlight of the day. We were once again blessed to assemble to worship God. However, on Sunday evening our young men did a great job leading the worship services. I am so proud to see the growth of our teenagers! They really have a love for God and a willingness to use their skills to become good workers and leaders in the church.

Trey did a wonderful job preaching his first full length sermon (at least from a pulpit). He chose a good topic and covered it well. I am so thankful to God for his talents and his willingness to train to serve the Lord. I was also encouraged at the great job brother John did leading singing. John was quick to volunteer when we needed one of our teenagers to lead singing Sunday night. I could tell he was well prepared and he certainly did a wonderful job meeting the challenge. Our other youth did a good job leading in scripture reading and prayer. We thank Chase, T-Roy and Tyler for their good work as well. We have other youth who also do such a good job helping with the services of the Lord's Supper and Leading prayers. We have a lot to be thankful for at K.E. We are very blessed with a good group of young folks.

Now, I don't want to leave our younger girls out, because they also are very busy in helping and working in the congregation. They may not be able to take public leadership roles in worship, but they are just as active none the less. Our teenage girls are very active in going to sing to the shut-ins, helping to teach younger classes, and seem to be ready to help out and do the work necessary whenever the opportunities arise. We are thankful to God for our teenage young ladies, and their obvious love for God and willingness to serve Him.

Well, I hope you all have a great week. I look forward to our mid-week services tonight, as well as our gathering for worship this coming Lord's Day. I know you will want to put God first in all things and give Him your very best, each and every day. Thanks for the part you play in the body of Christ at Kansas Expressway, for each member bares equal importance in the body of our Lord and Savior Jesus Christ. God bless!

We love you, Pat & Larry

To My K.E. Family,

Thank each of you that had a part in doing the wonderful things for me and my family during my back surgery. For the prayers, visits and phone calls and the beautiful flowers- I truly appreciate all of you. I love my Church Family.

With my love, Reva Lewallen

To our dear Church Family,

We have certainly missed worshipping with you these last several weeks. Ken is recovering from the infection and immune system problems caused by his knee surgery and will soon resume his therapy. I am recovering from back surgery and the complications that arose.

The beautiful flowers, calls, visits and especially the prayers offered in our behalf have been a blessing.

We are truly blessed to have all of you as Christian brothers and sisters and the love and care you have shown to us during this time. Thank you!

In Christian Love, Ken & Carolyn Lee

ELDER'S CORNER:

This past Saturday we had the largest attendance at our monthly Men's breakfast in recent history. After an excellent breakfast provided by brothers Wesley Ewing and Bill Heavin, we were presented some challenging thoughts from the Word of God by brother Gary Dalton. Twenty-one men and young men were present. Hope to see you at the next meeting.

On Sunday, Jordan Allen and Minnie Young requested prayers from the congregation for strength to live as God wants them to live. Let us pray that they might be strengthened and encouraged in their desire to do His will.

Remember, we are trying to fill our pantry up again. Many are coming, needing help. Thank you for your desire to help us meet those needs.

We love you all. When you need us feel free to call on us. Hope to see you at all our services.

Jerry & Gary
