RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

YEAH! We finally got some good snow. Isn't it beautiful as it covers God's wondrous earth? I hope you have been enjoying the snow with your kids and grandkids. Special memories are made during times like these. Sometimes, such weather forces us to slow down and spend time with each other. I sure love spending time with Cindy and the kids. I am truly a blessed man.

It has really been exciting to me to see all the kids out sledding in the snow. I am always reminded of youth and the joys of being young as I see the kids sled down the hill and crash. I am also reminded of how much it hurts to do the same thing, as we get older. However, sometimes you just have to be careful and have fun with the family. Such times are truly a blessing from God.

We had a great Lord's Day this past Sunday. The Agape Meal was also a big success with a lot of folks staying for dinner. It is so wonderful to spend time with brethren, just like they did throughout the book of Acts. The church spent a lot of time together: eating, fellowshiping, studying and evangelizing. In fact, the reality is, all of these things were intertwined and mixed together to accomplish the many parts necessary to accomplish the Works of the church, as the body of Christ. We are truly blessed with a great family at K.E. It is great to have so much love and care in our congregation.

Things continue to go well out at the BIM. Our students are doing a great job in their studies and really seem to be committed to doing their best. I am so excited to see all the improvement in all of our students, as they continue to grow and to work on their knowledge and speaking skills. I am also excited about our Monday night classes with several men of all ages studying the art of preaching. Hopefully, before too long we will be able to hear some of these young boys, as well as some of our men preach sermons to us all; as we continue to challenge them to improve their speaking ability to encourage them to be better leaders. Please pray for all of these good brethren as they strive to improve their leadership ability to the glory of God.

Well, I hope to see you tonight at our mid-week devotional. Also, I will look forward to our gathering this coming Lord's Day to worship God, as His church! It is always a great blessing to gather as God's people before His perfect throne. Hope to see you all there. God bless!

ELDER'S CORNER:

From the elders:

It sure is cold outside, but our God has given us a warm place inside to worship in. So let's be present for every service as the Lord has commanded.

Our young people presented the Sunday February 7th p.m. service. They did a great job. Brother Trey gave the sermon and did a great job. He has gained a lot of knowledge by attending the B.I.M. only a short time. We have a very good group of young men and ladies here at Kansas Expressway. Brother John Fielder led singing, Brothers Tyler Gardner and T-Roy Hass led prayers.

We have so many on our prayer list, so let's keep all of them in our daily prayers.

We had a good Agape meeting and meal Sunday, our group leaders and brother Wesley are doing a good job.

We will be at the Sunday service; hope to see all.

With Love,
Gary & Jerry
