MARCH 1, 2015 BULLETIN RAY'S REMARKS:

Well, we are in the final week of February and it is still cold, cold, cold! We have certainly been getting our share of cold temperatures during the past month and it looks like it's not over yet. However, we have still been very blessed to have pretty decent weather on Sundays and Wednesday evenings, so most are able to gather for Worship.

I have missed seeing some of our members who are still recovering from health related issues and some who have been unable to get out due to the weather. I hope the weekends will clear up soon, so most of our church family will be able to safely get out to gather together with our family to worship the Lord. I always miss those who are not able to assemble with us to worship our God!

We still have a lot of members recovering from health issues and surgeries. Let's remember Tom and Anita as they deal with his new therapy. Also, let's continue to pray for Carolyn and Reva as they continue to recover from surgery. There are so many others who are still recovering from surgeries as well. Please make sure to check the announcement sheet and keep these individuals before the throne of God. Also, please remember brother Wesley who is dealing with a few health problems at the moment .

Last weekend we also learned that Brother Keith Jones' father passed away. Let's keep that family in prayer and support them with cards, calls and encouragements of all sorts. If you are able to make it to the visitation it is Thursday night, 5-7, at Greenlawn North. The funeral will be Friday at 11:00, at Greenlawn North as well.

Well, keep in mind that we have the opportunity to gather as God's people this evening for our midweek Bible Study. Furthermore, it is always a blessing to assemble on the Lord's Day, so I hope to see everyone this coming Sunday. Meanwhile, remember that God loves us and always blesses those who are faithful. Let's make sure and give our very best to God every day. God is certainly worthy of such, because of all His wondrous blessing and benefits. Are you putting God first in all things? God bless!

THANK YOU:

Mom, Mildred Gibson, misses everyone at church and is grateful for all the prayers, cards and visits. I thank you for all you do for her, too.

~Gayle Johnston

To our dearest church family,
There are no words strong enough to express our gratitude for you all. As of recently, for your words of affirmation and cards in the loss of 2 grandfathers. Also, for the gentle understanding, encouragement, help and abundance of prayer we have received the last 2 years, following the birth of our twins. We feel that we haven't said thank you enough! Thank you all for being one of the greatest blessings in our lives. You're incredible.

In Christian Love, James & Sarah

"Now we exhort you, brethren, warn those who are unruly, comfort the fainthearted, uphold the weak, be patient with all." 1Thess. 5:14

ELDER'S CORNER:

We want to extend our deepest sympathy to our brother Keith Jones over the passing of his father this past week. Our prayers are with him through this difficult time of losing a loved one.

We have been experiencing a long period of bad weather and more seems to be on the way. It may be due to the weather that we have not been making our budget for several weeks. Please remember that the needs of the local church depend upon our faithfulness in our giving. We really have many things that need to be accomplished in the work here at K.E. Without our faithful support of the work, the work we can do is limited. Thank you in advance for considering this important matter.

Those of our number who are suffering from many different physical problems are in need of our prayers, cards and visits. Let us all remember to let them know that we care.

Hope to see you all at all our services.

Jerry & Gary
