## MARCH 8, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Well, if you look outside right now, it's snowing. I keep thinking that we might get a little snow this year! We all kept wondering if it was going to come and over the past few weeks we have certainly got our answer. However, it sounds like the week ahead is going to warm up and be nice. By the end of the week it might just feel like spring, and I know that most of us are ready for that!

Sundays have also been a little tough for weeks. It seems like we have only had one decent weekend within the last month or so, which has made it difficult for all of our family to get out. Hopefully, with the warmer weather ahead, this coming Lord's Day will be our first nice one in a while, which should mean that most of our family will be able to be together to worship God. I look forward to our gathering this coming Sunday.

This coming Sunday evening will also be exciting as we will have another opportunity to hear a BIM student present a message from God Word. Brandon Hall will be speaking, so I know you will all want to be present to hear him preach and to encourage him. I am so proud of these good brothers and their improvement as they train to be workers in the Kingdom of God.

I also am trying to organize some of our youth to speak on the 4<sup>th</sup> Sunday of this month. Some of our youth have been taking a preaching class at the BIM on Monday nights and so a few are willing to try a short talk before us. I will give more details as we get closer to that week. It is so exciting to see the Love of God which abides in our youth, and their willingness to serve and take leadership roles to accomplish God's purpose.

As always, we have many who need to be remembered in our daily prayers. Please keep those on our prayer list before God's Merciful throne. Especially this week, let's keep brother Leon in prayer. He has been in the hospital fighting Pneumonia. We hope he will be better soon.

Well, I hope you all have a great remainder of this week and I hope you enjoy the warmer weather which is on the way. Remember, the Lord's Day will be here before we know it, so let's all make proper preparation and be ready to gather to worship our God.

## CONGRATULATIONS!

Gary and Marilyn Dalton are the proud great-grandparents of their first great-grandson, Luke Allen Brazas, born early Monday, March 2, 2014. He weighed 8 lbs, 4 oz. First-time parents are Shawn and Jacque Brazas who reside in Fulton, Missouri.

## ELDER'S CORNER:

Sure looks like winter. The weather has kept so many home for the last few weeks. Spring is only two weeks away. Maybe things will be getting better. We need to remember to keep putting our offering in when we return; our bills are higher in bad weather.

We have so many having health problems that we need to keep them in our daily prayers. Brother Leon and Marcella are having serious problems. Brother Leon is in Mercy hospital with pneumonia.

We will be having Agape meetings this Sunday. Groups one and three will meet after our Sunday morning service.

We are proud of our young people in the way they are maturing in the work of the Lord.

Please check on our elderly people in this bad weather.

Gary & Jerry

## ELDER ON CALL FOR MARCH, GARY DALTON

## ARE YOU HERE?

Please make a point to pull your pegs from the front foyer when you are present for Sunday's or Wednesday's services so our elders can have a more accurate idea of who is missing. This will greatly help out those keeping our attendance records. Thanks!
