MARCH 15, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

What a wonderful Lord's Day we had this past Sunday. The weather was nice and finally cooperated over the weekend. We also had a great number present for services, as we gathered before the Throne of God. It was so good to see so many back with us who have been unable to be with us due to the bad weather over the past month. It was also a blessing to have some of our family back with us who are still recovering from recent surgeries and various health issues. It was truly a wondrous day of Worship to God.

We have a few folks that we really need to remember with extra prayers over the next week. Brother Leon continues to make improvements after his recent Pneumonia. Also, sister Monna Farmer is still in the hospital, after suffering from a stomach virus. Obviously, we still need to keep in our prayers brother Tom Long as he continues his treatments. Brother Wesley is still working with doctors to figure out what his problems are. We might also remember Wesley's brother who had a health scare over the weekend. I always encourage you to pick up an announcement sheet or a bulletin and keep our many members, as well as family and friends before the throne of God in prayer. Prayer is a powerful thing and God is always a good listener, so let's all take advantage of this wondrous privilege and opportunity from our Creator.

Let me remind you all that this month is a week with 5 Sundays. As you know, every 5th Sunday we have a potluck with the whole congregation. I hope everyone will be a part of this time of fellowship. Also, on 5th Sunday's we usually make an effort to give extra to cover special needs or to cover budget shortfalls. As you all know, we have really had a lot of bad weather during most of the weekends since the beginning of the year. This has put us about \$2500 under our weekly budget for 2015. Let's all try to dig a little deeper to give extra on the 5th Sunday, to make up for this shortfall. We have so many good works going on in this area and throughout the world. We certainly don't want any of them to suffer or to be cut back. Thanks for your help with this important need!

Well, I hope to see you all tonight for our mid-week service and I also look forward to our gathering to Worship God this coming Lord's Day. Until then, put God first in all things and you will never regret it; for God always blessing His Own! May God bless us all as we faithful do His Will.

THE PURE IN HEART

J. C. Watkins

"Blessed are the pure in heart; for they shall see God" (Matt. 5:8). The Psalmist declared, "Lord, who shall abide in thy tabernacle? Who shall dwell in thy holy hill? He that walketh uprightly, and worketh righteousness, and speaketh the truth in his heart" (Psalm 15:1,2). Scripture teaches, "Keep thy heart with all diligence; for out of it are the issues of life" (Prov. 4:23). God's inspired word tells us, "For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee" (Prov. 23:7).

There are two who want to control the hearts of mankind, one for their good and one for their condemnation. The two are God and Satan! God is the Creator of mankind. All God has ever done was for the benefit of mankind. Satan is God's adversary and he is the adversary of mankind (1 Peter 5:8,9). Even though man has been influenced by Satan to sin, God still loves His creation. He has proven that love by sending His only begotten Son to this earth as a human being to die on the cross for the benefit of mankind! Man must decide who will control his heart! Will it be God or will it be Satan? Christ told Peter that Satan desired to have him (Luke 22:31). Satan filled the heart of Ananias to lie to the Holy Ghost (Acts 5:3). He wants to fill the heart of every soul to reject the love of God and be lost eternally.

It is the heart of man which controls our actions. God teaches us to think on that which is true, honest, just, pure, and lovely (Phil. 4:8), to keep our heart pure. It is simply a matter of whom we let control our heart! If we give our heart to God and let Him control it through His inspired word, we will be pure in heart. Remember, Christ taught that only the pure in heart will see God. Satan will lie, deceive, and do anything he can to keep you from seeing God. Ephesians 6:10-18 teaches us to stand against the wiles of the devil. Be pure in heart!

ELDER'S CORNER:

This past Sunday was the first Sunday in several weeks where many of our members could attend services on a regular basis. Let's hope that Spring is just around the corner. Even Ray is tired of snow, believe it or not.

Due to many reasons, we have experienced weeks of going below our weekly budget. We are approximately \$2500 short of what we purposed as our budget for 2015. Although we don't like to use the 5th Sunday to make up our deficit, we really feel a need to do so this fifth Sunday, March 29. So we are calling on the congregation to do what you can to help us to clear up our deficit. If we all doubled our contributions, it would take care of most of what we are lacking. We really want to do so much more work for the Lord but without the means to do so, we cannot accomplish our goals.

Continue to remember our loved ones here at K. E. in your prayers. Many are suffering from health problems and some are experiencing spiritual problems. They need our concern, help and love.

We had a great Agape meal after services last Sunday and are looking forward to the men's breakfast this coming Saturday morning at 8. Last month, we had our largest attendance in years. Hope to see our men at the breakfast and bring your sons.

This coming weekend, March 13-16, there is a meeting being held at Belle, Missouri. Brent will be speaking Friday night, Ray on Saturday night and myself on Sunday.

Hope to see you all at all our services.

ELDER ON CALL FOR MARCH, GARY DALTON

ARE YOU HERE?

Please make a point to pull your pegs from the front foyer when you are present for Sunday's or Wednesday's services so our elders can have a more accurate idea of who is missing. This will greatly help out those keeping our attendance records. Thanks!
