APRIL 26, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

God blessed us with another great Lord's Day this past Sunday. We had a good number present and everyone seemed to enjoy the beautiful day of blessings and worship to God!

I hope everyone is having a great week. However, we certainly have those who we need to remember in prayer over the next several days and weeks. Especially, let's pray for brother Gary Dalton. As most of you know by now, he came through his bypass surgery ok, but now is having some complications due to the surgery. He has some Pneumonia in his lungs, and he is also having some kidney problems. They are having to keep a breathing tube in him for now, as well a feeding tube. Let's all pray diligently for brother Gary that he may overcome these problems and be restored to his full health and full life as soon as possible. I know we all love him and realize just how important he is to the congregation here at Kansas Expressway. He is a great Elder, Christian, and example to us all. May God's richest blessing be upon him and his family.

We do rejoice that brother Tom receive a good report after his last checkup. The new therapy is working so far and having good results. We also are thankful that sister Retha has now gone to a rehab facility. Let's pray for her speedy recovery. We have others who are still recovering from sickness or surgeries as well, let's keep them all before God's throne, especially sisters Pat and Reva after their back surgeries. Prayer is a privilege, it is powerful, and God will always answer our prayers for the best! We are blessed.

Let's remember that our Lectureship is only a few weeks away. It begins on May 10. I hope we are all making plans to be a part of this important time of growth in the things of God. Let's pray that this Lectureship will be profitable and encouraging to us all. Furthermore, let's do all we can to invite others to be a part of hearing the truth of God's Word.

Well, I hope you have a good weekend. Remember the great privilege we will have this Lord's day to gather and worship our God. Until then, put Him first in all things and He will richly bless you! Thanks be to God for all of his "exceedingly great and precious promises." See you Sunday!

WEDNESDAY RESPONSE:

Pam McCarty

ELDER'S CORNER:

As many of you already know, brother Gary Dalton, had by-pass surgery this past Monday. His recovery seemed to be going well until Wednesday when he developed Pneumonia and a problem with his kidneys. We are praying that these complications can be corrected and that he will be able to completely recover from his surgery. Gary and the family need our prayers.

Sister Beebe has shown some improvement with her health and has been moved to a Rehab facility. Tom Long is responded positively to his treatments. Reva Luwallen and Pat McCarty need our prayers as they deal with recovery from recent surgeries. Remember also little Mattalin Koontz and Carolyn Lee in your prayers and many others who are dealing with health issues.

The Lord answers prayers. Philippians 4:6-7
