Happy Mother's Day

Today is the day that we know and celebrate as Mother's Day. It is the one time out of the year that we set aside a day to remember and honor our mothers. More telephone calls home are made today than any other day of the year. Many will be taking their mother someplace special to eat. Children will give their mothers gifts and bid them joy and happiness.

There are others whose mothers have passed from this life to the next. While these mothers are not around for us to personally enjoy, we can certainly relish the memories that we have of their example, instruction, and love. Some will, perhaps, visit the grave of their mother. Others may simply quietly reflect upon their mother's life. However we celebrate Mother's Day, the good mother will always hold a special place within our hearts.

The Bible tells us of that beautiful mother who knows the importance of her relationship with her husband and honors it. She seeks godliness in her life so that she can rear her children to honor God in their lives as well. She respects God's institution of marriage and is faithful no matter what difficulties and burdens may come her way. She knows that there is no quick and easy path through life, but that which the Lord provides for her through His guidance (Matthew 11:30).

So on this Mother's Day, let us remember and know what a true mother is and never seek to change God's pattern for a good mother. Instead, let us proclaim without embarrassment, God's plan for motherhood.

ELDER'S CORNER:

Our Spring Lectureship begins this coming Sunday. The theme is: "Challenges of Life." No doubt, we all, on a daily basis are faced with many challenges. It is our hope that through the lessons that will be presented that we will all be made more knowledgeable as to how to deal with the challenges we meet. It is our hope that all of our members will make a concentrated effort to attend all the lectures. It will greatly encourage our speakers as well as all of us who will be in attendance.

We are thankful to see improvements in all those who have recently undergone health problems. You are in our prayers. Sister Carolyn will undergo back surgery on Monday. Remember her in your prayers.

A special word of thanks to those who worked so hard to make our Graduation Reception so successful. Special thanks to Robbie Heavin for the hours put into preparing the room for the event and also for the many ladies who prepared the food. You all did a wonderful job and I know that our graduates were very thankful for the honor displayed.

Happy Mother's Day to all our wonderful mothers at Kansas Expressway!

May God bless you all for your love shown to one another.

Jerry & Gary
