## MAY 17, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

What a blessed week we have had together as the people of God. The BIM Spring Lectureship has been a great success and we have had some of our largest crowds ever. A big thanks to our members who have been present for these lessons, some at every service. However, we have also had lots of visitors this year.

I'm also thankful for our speakers this year. They have done a great job and have really encouraged us all to have a better understanding of God's Word and to be more challenged to accomplish His perfect will. What a blessing it has been to grow together in the things of God.

I wanted to also say it has been great to have so many of our graduates come back to be a part of the lectureship, as well as just to be a part of this time of growth themselves. I am especially thankful for brother Russ who has come down and been with us the entire time. I am so thankful for the good work this brother is doing in Oologah. I am so thankful for all of our good Christian brothers and graduates of the school. What a blessing they are to God and His Church.

I also appreciate brother Dustin McCrickard and his willingness to help us out at the last minute, when we had a speaker have to cancel do to health issues. He did a great job and I know he is doing a great job in his work in Omaha, Missouri.

We also have had a few responses this week. First I want to encourage you to remember sister Eva Simon as she requests prayers for her family and some difficulties they are going through recently. Hopefully, they will work things out and get things back to where they need to be in the sight of God. Also, let's remember brother Brent Green. He came forward Tuesday night and asked for prayers that he might be more evangelistic in the service of the Lord. Let's keep these loved ones before the throne of God.

I am also excited to have a new brother in Christ, Angel Escobar, the nephew of Diana Reid. We welcome this young brother to the family of God.

Finally, let me encourage us to remember sister Carolyn Lee as she recovers from her surgery. This time, things look much better and she is feeling much better. She might even be able to go home on Thursday. Thanks be to God for her progress.

As you know we have many more on the prayer list. Let's keep them all before God's throne on a daily basis.

I hope to see you all at the final night of our lectureship this evening. I also look forward to our opportunity to assemble before God's throne this coming Lord's day. Won't you be present and ready to give Him your very best? See you soon. God bless!

## RESPONSES:

Sunday-a.m. -Eva Simon  
Tuesday (Lectureship) -Brent Green

Think about it...

We'll never bring all the world into Christ until we bring Christ into the world.

We'll have no faith in the mission before us unless we have faith in the Master behind us.

We'll never get others to obey the commands until we obey the commission.

We can't make Christ mean anything to others until we make Him mean everything to us.

Let's not say jeeringly, "Look what the world is coming to!" but joyfully say, "Look what has come to this world!"

We'll never get excited over sowing the seed until we get excited over seeing the need.

We'll never get others to see the joy of claiming Christ until we get ourselves to see the joy of proclaiming Christ.

We'll never really consider the lost until we stop considering the cost.

We won't have to pay the penalty in the reaping if we are willing to pay the price in the sowing.

~George Bailey

## ELDER'S CORNER:

Tonight is the last night of our lectureship. The attendance at this Lectureship has been one of the best. This was made possible by a lot of visitors from area churches. We do appreciate those of you who supported this effort. It was a great time of reflection on the challenges that we are facing in life every day.

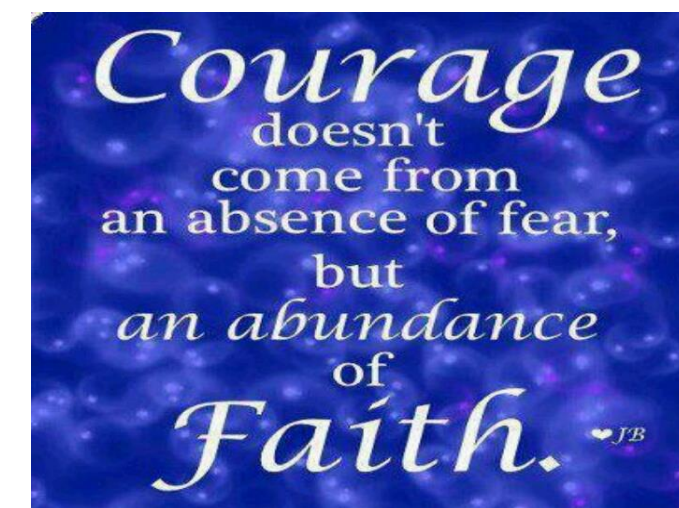

Gary continues to improve and should be with us again on Sunday. Sister Carolyn Lee is making great progress after her recent back surgery. Continue to remember all those of our number and our loved ones who are having health problems. They need our prayers.

Men, don't forget our Men's Breakfast this coming Saturday morning. It starts at 8:00. Lately our number has increased. It is a time of encouragement for all those who attend.

Hope to see you all at all our services.

Jerry & Gary
