JUNE 28, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Wow, is it getting hot or what? The weather has really taken off and gotten in the upper digits and with all the humidity lately, it really feels hot. Anyway, we are blessed in this country to have ways to stay out of the heat or at least to keep cool, so let's all continue to stay as busy as we can in the work of the Lord. As Jesus said, "The fields are white unto harvest."

We had a great Lord's day this past Sunday. We also had some responses for prayers. Let's remember sister Jennifer Koontz, Ruth Sullins and Retha Beebe in prayer, that they may be better and stronger Christians, as well that they might be able to have a greater influence for the cause of Christ. We love and appreciate them all!

Camp was a huge success. We had our largest session ever and everything went great. God really blessed us with a good week, and despite all of the rain we were able to move our schedule around and have a great time. Thanks to all of you who helped out with this session. Obviously, I couldn't do it alone. A big thanks to Bob, Brent for their tireless help with my sessions. I also want to say a big thanks to Nikki, Hannah, Crystal, Ruth, Jeanna, Samantha, as well as Trey, Luke, Dennis, Jr., Ethan, Dustin, Tyler and Andrew. They all did a great job counselling and caring for our kids at camp. Also brother Kevin and Scott did a great job in the kitchen and we thank them for all their good work. Besides these brethren we also had brother Wesley and Karen help with the cooking for the Friday picnic, we thank them. We also had several brothers help with classes or devotionals during the week; so a big thanks to David, Seth and Mark. We thank all our campers as well!

We were also excited that one was added to the Lord's church during our camp session. God is a great God and truly blessed us with an awesome week, to Him be the Praise and Glory!

Well, please keep all those who are traveling this summer in our daily prayers. Many will be on vacations or visiting family. However, we also have a lot of folks who are headed for the mission field. Let's keep in prayer my parents, brother Chuck, as well as many others who will be traveling this summer. I also know that brother Russ and his family are on a mission trip to Fiji right now. Please keep them in prayer.

Finally brethren, let's ever be mindful of our family who are dealing with various health issues and trials of life. We always have a lengthy list. Let's pray for them daily. Especially let's remember Winnie who broke her leg at camp. We pray she recovers quickly. Let's also keep praying for our shut-ins and make extra effort to let them know that we do think of them and love them. It is great to be in the family of God and to have such love and support during such times of life.

I hope to see you tonight at services and I hope you have a great weekend. Remember to put God first in all things and you will be greatly blessed. May God bless us all as we serve Him and follow His precepts.

ELDER ON CALL FOR JULY: GARY DALTON

# Quietness

People seem to hate quietness. They will do anything just to have a little noise. They must have the sounds of radios, stereos, tvs, talking, etc. going all the time. Even thirty seconds of complete silence is unbearable to most people.

The Bible tells us that quietness can be a great blessing. Isaiah wrote by inspiration:

**"For thus the Lord God, the Holy One of Israel, has said, In repentance and rest you will be saved, In quietness and trust is your strength...."** (Isaiah 30:15 NASB).

Simon Peter declares that a woman's most beautiful adornment is:

**"...the imperishable quality of a gentle and quiet spirit, which is precious in the sight of God"** (1 Peter 3:4 NASB).

Paul urged the Thessalonian Christians to **"...make it your ambition to lead a quiet life and attend to your own business...."** (1 Thessalonians 4:11 NASB).

We are taught that our prayers are to include requests that we **"...may lead a tranquil and quiet life in all godliness and dignity"** (1 Timothy 2:2 NASB).

Quietness is more important than an abundance of this world's goods.

Solomon said: **"Better is a dry morsel and quietness with it than house full of feasting with strife"** (Proverbs 17:1 NASB).

Perhaps by now, all can see that the quietness of which the Bible speaks is more than an anti-noise ordinance. It starts within and is displayed in the **dignity of our behavior**. It comes as a result of our trust in God ( Philippians 4:6-7 NASB ; cf. Proverbs 3:5-6 NASB).

**Are you blessed with the quietness of which the Bible speaks?**
