JULY 5, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Isn't it hard to believe that we are already in July? We are already half way through 2015, and as most years it has really flown by. I am looking forward to the 4th of July which is only a few days away. This holiday is always a fun time to be with family, to enjoy fireworks and to eat some good food. I am really looking forward to it.

Sunday was a great Lord's Day as usual as we were able to join together as God's people. We have a lot of folks traveling and out of town, but we still had a good number present. We also had a great Agape meal on Sunday afternoon. I always love spending time with my brethren and there is no sweeter fellowship on this earth than with those of like precious faith.

I appreciate all the good comments about my sermon on Sunday morning. I know that as Christians we all are ashamed of our politicians and the legalization of gay marriage. The sad reality is, this immoral decision is only going to lead to more immorality and it will make it easier to push through others things that are contrary to God's Will. We all need to pray for our country, its leaders and our fellow citizens. We have many trials ahead that are going to affect us all in a great way! May God help us and care for us all!

I also appreciate brother Gary's good comments after the lesson, as he read from 1 Corinthians 6. It's not hard to figure out or understand God's Will on marriage. God and His Word are crystal clear! I am thankful for our elders and for their love of God's truth and for their love of souls.

We certainly need to keep sister Alice Drake in our prayers in the loss of her son. It's never easy to lose those we love, but I cannot even imagine what it would be like to lose a child (at any age). Parents never think they will live longer than their children, but sometimes it does happen. This reality is all the more reason for us to love God and put Him first in all things. God is the Great Comforter and the only place to find peace in times like these! Let's encourage sister Alice in every way we can!

Let's also remember that sister Robbie's camp session begins next Monday, July 6. Let's all pray that she will have a safe and prosperous Day Camp this year. We appreciate her good work in leading this session.

Well, I hope to see you tonight for mid-week Bible study. I also look forward to our gathering before God's throne this coming Lord's Day. May God bless us all as we serve Him according to His Perfect Will! See you soon.
