## JULY 19, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Well, it finally looks like the rain may be finished for a while. We have certainly had our share of rain this summer. However, you know how it goes, within only a few weeks we will be talking about how dry and hot it is and wishing that some of the rain was back. The fact is, few of us are rarely satisfied.

That makes me think of how this same attitude exists in religion today. Have you noticed that there are religions to satisfy about whatever someone wants. So if you don't like something or someone where you are currently going, you just look around for what you like and go somewhere else. I've also noticed this with doctrinal stances of some groups, or the lack there of. They seem to change with the weather daily, and are willing to go with the flow or make their members happy. The reality is few rarely find the satisfaction they are looking for, because they are placing their hopes and desire in the flesh and things of this world.

Brethren, may this never be allowed to creep in to the Lord's Church. However, I'm afraid it already has. I was talking with a brother from out of town, just this week. He was telling me about all these problems in the church in another state or in other areas of the country. I told him, "brother, we have the same things happening here in Springfield and our area!" The fact is, most are looking for a religion that fits *their* beliefs, desires and what *they* want out of life. The days of simply following God's Word and doing what *He* wants is becoming a thing of the past. However, let's "stand strong in the faith," and live lives that are different. Showing our love for God by doing what He says in His word and according to what He desires. How truly precious the faithful are to our God in a world of self-will and selfishness! Let's just learn to be satisfied doing things God's Way, for He always knows what's best!

Don't forget our mid-week service is tonight. I hope we are all present to grow in God's Word and to praise our Creator. I hope your week continues to be a good one and I know we will all choose to be in worship this coming Lord's Day. Until then, put God first in all things and you will never regret it! God bless!

## ELDERS' CORNER:

A few words from the elders at K.E. church:

We had Agape groups 1 & 2 meeting last Sunday. Some of our wonderful cooks created great tacos at half the price we were being charged previously. Thanks to all.

We need to continue to pray for all the ones having health problems.

Our youth had a great part in bringing our Sunday evening services. Appreciate all of our young people in being such good examples. Sometimes we need to learn from their encouraging work.

We have two new students, Andrew Brown and Randy Womack, that are living in Springfield and attending services here. Get to know these men.

Continue to pray for the Drake and Barnes family in the loss of loved ones. Also, remember the McCarty family in the passing of Pat's mother, Charlotte Murphy last Sunday.
