## JULY 26, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Well, God blesses us all with another day of life and how wonderful it is to be a part of His Family. It was great to be with our brethren this last Lord's Day. As always, we were encouraged and enjoyed our time together before the throne of God. And although we had a lot of folks gone on travels or out of town, we still had a great attendance.

Let me encourage us all to keep brother Harry Clouse in our prayers. He came forward Sunday and asked for forgiveness of sin or if he had wronged anyone. I am so blessed to be a part of a family of God which has so many humble and good people who are willing to put God first and make sure their lives are right. I appreciate brother Harry's encouragement to me in showing his desire to serve God and others in a proper way. Let's encourage brother Harry to be the stronger Christian which he desires.

VBS is only a few weeks away. I hope you are have invited some grandkids, neighbors or friends to be a part of this year's VBS. We have all of our teachers and no doubt they are busy making preparations to teach our children more about God and His Perfect Will. However, keep in mind that our VBS is for all ages. We have a class for adults every evening and yes the adults get cookies too! Anyway, let's make this year's VBS another good one to the glory of God and the growth of all who are involved.

It's hard to believe that we are less than a month away from the start of the new class of students at the BIM. All of our new men seem to be excited and ready to go. Our last students and his wife will be moving to Springfield in about a week. Let's continue to remember all of these good men in prayers as they continue to make preparations, settle in, and get ready for this new important facet of their life. It's going to be another great year in service to the Lord.

This coming quarter I will be teaching "New Testament Greek" and "General Introduction to the Bible!" Both of these classes are second year student classes. I look forward to a great quarter together with these fine men.

Well, I look forward to seeing you tonight at our mid-week services. Also, remember our privilege this coming Lord's Day to gather and worship our Creator. I know you will want to be present to put God first and ready to give Him your best. See you Sunday.

God Bless you all!

## ELDERS' CORNER:

Hope everyone is having a good week. VBS will be starting soon. Hope you are planning on attending every night . . . no excuses.

Jerry and Edith will be returning home soon. Pray for their safe return.

So happy to know Dylan Wake made the decision to be baptized last Saturday. Welcome him into the family here at K. E.

Continue to pray for all who are having health problems and those who have lost family members recently.

Our Agape groups are doing well, with good attendance and great food thanks to our leaders and brother Wesley Ewing for overseeing this good work.

Make a special effort to meet the two new BIM students; make them feel at home.

Gift of Today: Rejoicing in today instead of borrowing trouble from tomorrow or rehashing the regrets of yesterday.

Hope to see everyone for Bible study and worship on Sunday.

Gary & Jerry
