SEPTEMBER 6, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

What a great 5th Sunday we had last weekend. We had a good number present and several visitors. It was so wonderful to gather in order to worship God. We also had an encouraging fellowship meal after morning worship. Lots of folks stayed and there was plenty of food. There were so many deserts that we almost had to put up another table. Anyway, it was a great privilege and blessing to give the Lord His day and to share together before His Gracious Throne.

Well, we made it to September, but it's hard to believe that 2/3 of this year is already over. It seems like only yesterday that we were ushering in 2015, but now a good portion of it has flown by. I know everyone remains busy with life, as we go to work, school, or various activities. It just seems like there is always plenty to do and something going on. In fact, it often feels like life has taken control of us rather than us having control of it. Brethren, I hope we all will make the most of every day we are blessed with from God. We obviously do not know what tomorrow holds, so we should make the most of today and really enjoy the blessings He has given us. I don't know of a greater joy I have in this life than being with my wife and kids, as well as with beloved friends. We had better enjoy these moments while we can, because the future always holds great changes for us all.

Another important thing for us to remember as Christians is that we are Christians, 24/7. I hope we are living our lives in such a way that the world, our friends, as well as our families know that God comes first in all things. We have a lot of work to do for God and we need to be ever busy in His service. It would benefit us all to make sure that we are giving God all that He deserves, as we obey His will and keep His commandments. Are you making the most of your daily life?

Finally, let me remind us all that we will again have the privilege to gather as God's family this coming Lord's Day. I hope to see all of you there, so we might give God the glory and praise as the body of Christ. Meanwhile, let's keep in mind the many who are still struggling with health issues, recovering from surgery, and dealing with trials of life. It is good to have one another to overcome the difficult days and to encourage one another to continue in the service of God. May God bless us all as we strive to be faithful according to His precepts.

ELDERS' CORNER:

Greetings from your elders at K.E.

Sunday was a great worship; we had three respond. One lady, Jean Star, who has been studying with sister Mary Patchell was baptized Sunday evening. Sister Deanna Giles came forward requesting prayers for strength in her trials. Sister Carolyn Lee responded wanting prayers from the church for her and Ken's strength to endure her upcoming surgery and recovery. Monday, sister Carolyn had back surgery. As of Tuesday at noon, she was doing very well. Keep Carolyn & Ken in your prayers.

Keep in your prayers all our number who are dealing with health problems.

Thanks to the congregation for your support for the 5th Sunday Contribution. It really helps.

We had a great potluck dinner after morning services. We had so much good food and a good number stayed. Thanks for all who helped.

Gary & Jerry
