RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

It's great to be home! It was also a great blessing to be with everyone this past Lord's Day. The reality is, there no place like home!

Thank you all for your love and kindness shown on my return. It is so wonderful to know that we have such a loving and caring family here at K.E. We are truly a blessed people of God.

The rain today sure is nice. It has been a while since we have had a long steady rain. I know we certainly need it. With all this rain, if the weather stays nice, we may have to pull our mowers out again. You just never know in the Ozarks. We'll probably have snow before you know it.

Can you believe that we are only a few days from November? We are fast approaching the end of this year and before you know it we will be in 2016. I hope we are all making the most out of this year and doing all we can in the service of God. What a privilege it is to have the opportunity to do God's Will and to do those things which are pleasing in His sight. I hope we are all giving God our very best.

Today I began teaching the Prison Epistles out at the BIM. I enjoyed being with the new students in the first class. They are a fine group of brothers. I also taught Greek to our second year students. It was a good first day and I look forward to all of God's truths we will share together over the next quarter. There is no greater privilege than studying the Word of God and learning to be better servants in His Kingdom.

Please remember Dad in prayer as he will be having his Angiogram this coming Thursday. God willing they will be able to put stints and deal with his problems in the easiest way possible. Also, keep all those on our prayer list who have special needs. Prayer is powerful!

Well, I hope you have a great remainder of this week and a profitable weekend. I look forward to our assembly this coming Lord's day. Don't forget to change your clocks on Saturday night, for the end of daylight savings time. See you Sunday morning. God bless!

ELDER'S CORNER:

How good it was to have bro. Ray back at our service on Sunday. He and Brent had a very trying trip, but it was very successful.

Bro. Jerry Sullins will be having the angiogram early Thursday to see what treatment needs to be done. Keep him in your prayers as well as so many others that are having health problems.

Need to keep Wesley and Karen in our prayers as they are dealing with his mother and her health in Texas.

Agape groups 1 & 4 will be meeting this Sunday for the meal and fellowship. Please bring what your leader asks so we will have enough to invite our visitors to stay.

Remember to set yur clocks back one hour on Saturday night.

Your elders,
Gary & Jerry
