MAY 24, 2015 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Hello brethren! I hope you are all having a great week! Also, I hope you are staying busy in the work of the Lord.

I know this is a big day for Springfield kids, because today was the last day of school. Chase was sure excited and is ready for the much needed break. I know all the college kids are out now as well. Nikki has been enjoying her time off of nursing school for the summer.

The Bible institute of Missouri is still in session for about another 2 weeks. However, I know that Trey and all the students are really ready for a break from their intense studies. They are all doing such a good job, I am really proud of them all.

It's hard to believe, but we are only a little over three weeks from camp. I know many of you are involved in our session and a lot of our young people come to camp. Please keep in mind that the price for a session goes up significantly after May 31. Please make sure and get your applications in before that time. We are looking forward to another great session this year.

It was great to see brother Gary here last Sunday. We thank God that he continues to improve and we pray that he will get his strength back quickly. Also, keep sister Carolyn in your prayers, she has had a bit of a setback after her last surgery and is not able to get around like she needs to. Hopefully she will continue to improve and be back with us soon. Many others are on our prayer list and need our continued prayers.

Let's all remember that this month has a 5th Sunday. That means in two weeks we will have our 5th Sunday potluck and our 5th Sunday offering. The last few months we are still not meeting our budget. Through last Sunday we are around \$2300 below budget for this quarter. Brethren, we have to make budget to continue all of our good works and to have the opportunity to accomplish even more. We are a blessed people and I know we are able to make our budget if we would all just make an extra effort. Anyway, hopefully we will all try and double up or at least give extra this coming 5th Sunday. We have so many good things going on and so many additional opportunities in this life, let's always do our best.

Well, I hope you have a great weekend. I look forward to seeing you tonight and this coming Lord's Day. Until then, please put God first in all things and you will never regret it. God bless!

...Here's a good question:

WHEN SHOULD I TEACH MY KIDS ABOUT GOD'S LAWS?

The bible says in Deuteronomy 11:19,

*"You shall teach them
to your children,
speaking of them
when you sit in your house,
when you walk by the way,
when you lie down,
and
when you rise up."*

ELDER'S CORNER:

It's good to see the health improvements of our loved ones in Christ here at K. E. God has really answered our prayers! Special prayer requests for Carolyn Lee. Since her back surgery she has been experiencing difficulty in walking. We are waiting on the results of an MRI. Hopefully she will soon know what is causing her problems in standing and walking. Our love to her and Ken as they endure the trials of life. We rejoice that Gary Dalton is on the mend. He is feeling better every day but it will take several more weeks before he can fully recover from his heart surgery. Remember Gary and Marilyn in your prayers.

We are happy to announce that we have 4 students enrolled to begin in August at BIM. The number can increase with others trying to make a decision as to where they will train to be gospel preachers. Two of our future students will be moving to Springfield and they need furniture for their apartments. One will be here on June 2 and the other in August. Do you have any furniture that you can donate to either one of these brothers? They will need a bed frame and mattress, sofa, small table and chairs, dresser, etc. If you have something that can help please let me know. (Jerry)

Our Lectureship was a great success. Those of us who attended received messages that will help us deal with many challenges of life. The elders would like to remind you that you can view the lectures on our website.

Above all things, let us love one another. See you at all our services.

Jerry & Gary
