RAY'S REMARKS:

**SPRING LECTURESHIP STARTS
MAY 12 – SEE YOU THERE!**

What a wonderful weekend we had at Kansas Expressway! First, the ladies had a very successful Ladies' Day and I wanted to say a big THANKS to all who organized it and made it possible. There were so many that helped, but especially sister Melissa Brown and sister Jennifer Koontz for all their work in organizing this activity. Also let me say THANKS to everyone who attended. This function was mainly organized for our ladies at K.E. and around 50 were present. We also want to THANK sister Carole Ann Chappell for the good job she did as their speaker. Praise be to God for all the good this day accomplished.

We also had a great Lord's day this past Sunday. We had a good number present and several visitors. It is always a blessing and privilege to gather together before God's throne with those of like precious faith. Thanks to you all for doing your part in seeing that our body functions properly before God.

I was also excited Sunday to have some special visitors with us who are regular viewers of the Living Word Program. I hope you were able to meet Dave and Becky Guiheen. They seemed like a lovely couple and it was a blessing to have them join us for worship this past Sunday. They said they would be back and would like to assemble with us on a regular basis, so we look forward to seeing them again soon.

Now let me remind you that our Spring Lectureship is only a week and a half away. I hope you are all making plans to be present at every assembly. We are going to have a great feast on God's Word as we deal with those things pertaining to the Christian Family. I know you will want to be a part of this time of worship, growth and encouragement. Why not invite someone to join us as well!

Well, I hope you have a great remainder of the week. I also look forward to seeing you as we assemble this coming Lord's Day. Until then, remember that the Lord knows those who are His and will always bless the faithful. God bless!

**Thank You Note:**

To Congregation of K.E.

First and foremost, I want to thank everyone for your prayers for me. It gave me a lot of peace to know everyone was praying. In our sermons we sometimes hear about how to show in our everyday lives to do Christian acts that are pleasing to God. I have seen that first hand. Gary Dalton took time out of his day before going to work to come by the hospital and say a prayer with me before my surgery... Ray Sullins came and visited and also said a prayer with me.

I had many cards, flowers, phone calls, visits to my home and food brought to me and my husband for a full week by Gary and Marilyn Dalton, Richard and Rosemary Medley and Kalon and Melissa Brown. I have never been so thankful and appreciative.

I as well, have prayed for everyone.

In Christian Love, Leslie Claspill

ELDERS' CORNER:

Our Spring Lectureship is upon us. A week from this Sunday we will begin our lectureship series on the Christian Family. In our nation today, there is probably not a more pertinent subject than the one that will be under consideration during the lectureship. The only way it can help us, is if we attend. As elders, we are to feed the "flock of God" but it seems like the flock doesn't want to be fed when it comes to Meetings. As parents, it is of utmost importance for you to be here at every lesson and bring your children. As parents, we need to set the right example. Why shouldn't the whole congregation be here at every service? The fact is, we should be. Pray about this and make a commitment to yourself, your family and your God that you will not forsake the assembly.

Someone has donated a motorized wheel chair to the church. If you have need of one, please see one of the elders.

We are so happy that for the first time, in a long time, we met our weekly budget in April. With all of us doing a little bit more, we can accomplish much more in the Kingdom.

Remember in prayer our loved ones who are in stressful times due to health problems and distress. Hope to see you all here at all our services. Jerry & Gary
