## DECEMBER 11, 2016 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Wow, the cold sure hit today! After all the warmer weather it really makes it feel even colder outside. But it sure makes it feel a little more like winter with the colder temperatures. The weathermen are even talking about the possibility of snow today or tomorrow. I have to be honest; it won't bother me too bad if it snows a little. It has been several years since we really had much snow.

Many of you may have heard by now, but brother Gary was in an auto accident yesterday. He is doing pretty good today, but still very sore with three broken ribs and lots of pain. Let's remember brother Gary as he recovers from this accident. We pray he is back to his normal health soon.

Well you all have notice by now that Cindy and I have our holiday parties planned. We look forward to having many of you in our home on Friday, December 16<sup>th</sup> or on Saturday, December 17<sup>th</sup>. To make it easier to remember, we will start both parties at 6:30. We always love having most of you over for the holiday parties. We hope you are making plans now to be with us one of these nights.

Other parties are being planned for our youth group and even the young kids. I hope we all enjoy this season and take advantage of these times of fellowship when able!

Today was a good day at the BIM. Things continue to go well at school and the students are doing well. It was exciting to have brother Jordan speak in chapel today. I always love seeing these brothers grow and improve their skills in the proclamation of God's Word. Please keep the school, its students, its faculty and all its supporters in your prayers. How privileged we are to be a part of such a great work right here in Springfield, Missouri. Thanks be to God for this blessed opportunity.

Well, I hope to see you at our mid-week service tonight. It's going to be cold, but our heat is working well, so make sure and be present to study God's Word and to worship your Creator. Also remember that the weekend will be here before we know it. How wonderful it will be to gather to worship our God. See you soon. God bless!

# ELDERS' CORNER:

On Tuesday, Gary Dalton was involved in an automobile accident. The good news is that he is alive and well except for three broken ribs. His recovery will take from 6 to 8 weeks. Our prayers are with him during his recovery.

Brother Leon Wake has been released from the hospital and is at home. He continues to deal with some serious health problems. Please remember him in your prayers. Mildred Thompson is to be released from the hospital very soon, the Lord willing. We are thankful for her continued progress towards better health. Many of our number need our prayers and visits.

We are excited about the progress of our students at BIM. Another student will join the new class who is from Mountain Home, Arkansas. He is a transfer from Bear Valley School of Preaching. When he heard about us he decided to switch and come here so he could be closer to home. His name is Harold Lawrence. He is not only a faithful Christian but an excellent student.

Faithfulness to our worship services is very important. There's no better place for us to be than with one another every time the church doors are open for worship and Bible study. It is a requirement of God. Hebrews 10:25. We all might need to consider if there is a real reason for our lack of attendance. It is our hope and desire that you grow in the grace and knowledge of our Lord Jesus Christ. That will not happen if you continue to forsake the assembly. May God give us all the strength to worship Him and study His word as He has directed.

Our hope is that we will meet together with you at all our services.

Jerry & Gary
