BULLETIN
RAY'S REMARKS:**

Brethren, it is great to be home. It was so wonderful to see you all Sunday and to worship together as God's people. I always miss you all when I am away. Certainly, there is no place like home.

We had a great Lord's day with several visitors and a great day of worship before the throne of God. We also had a good 5th Sunday potluck with lots of good food. It is such a wonderful thing to share time such as this with our family of God, as well as visitors.

Well, our trip was successful and God really blessed us with getting everything done we needed to while away. We now have a new Preachers' Training School established in Ghana and no doubt the Lord's church and His people are going to be greatly affected in that country and throughout the area of Africa. I look forward to showing you a presentation soon, concerning our trip to Ghana, so that you will be able to further rejoice with us in the good work which was accomplished.

It was certainly a sad thing to leave our brethren in Ghana. We love to see them and to share in the Lord's work together. Brother Williams was certainly sad to see us go. I know it is a great encouragement to him for us to be there. However, I know that he and brother James are going to do a great job with the school. We now have 6 students at the school and everything seems to be going well for the first few weeks. It is great to see such a love and desire to learn God's Word from these men. I know they will be great workers in the kingdom of God in the near future.

As far as our students, we have 4 single men, Alex, Stephen, Akwasi and Nana. We have two married men brother Henry and Amos. Brother Amos is quite interesting as he is a 70 year old man who said he always has desired to preach the Gospel. He has been a school teacher most of his life, but now wants to give himself fully to the service of the Lord. He also says that he wants to die with a Bible in his hand. Brother Amos now holds the record as the oldest student we have ever trained. He is an enthusiastic and vibrant older man who will, Lord willing, have many more years to serve in the Kingdom of God. I know he is a great encouragement to me and all the rest of the men training at the school.

Finally, let me challenge us all as we start a new month (February), that we might do our best to give more to God and to do more for the sake of His Kingdom. What a privilege it is to serve as a Child of the King! Are you doing all you can for Jesus?

Well, I hope you all are at services tonight. It is always a blessing to assemble as God's people. Also, remember that the Lord's day will be here before you know it. Let's all do our part to prepare and put God first on His Holy Day! God Bless!

ELDERS' CORNER:

Greetings from the elders at K.E. church of Christ:

It is sure good to have brother Ray back from Africa. Seems he had a lot of good work to do in preparing for the school.

We certainly had some good preaching and teaching while he was gone.

We pray that brother Jerry will have a safe travel home next week.

Brother Wesley will be having back surgery on Friday morning at Cox South. Please keep him and his doctors in your prayers; keep sister Karen in your prayers, also.

Sister Donetta came forward Sunday morning asking for prayers of forgiveness and strength in her Christian walk. Sister Mary Jo came forward Sunday evening wanting prayers that her life would be better. Please pray for both of these sisters.

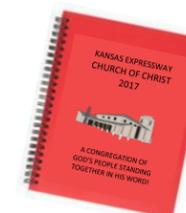

Keep all the shut-in and those confined t nursing homes in your prayers.

Keep the B.I.M. school students and instructors in our prayers that these people will be going out in the area to preach the Word of God.

See you on Sunday.
