RAY'S REMARKS:

Wow, what beautiful weather we have had lately! It has been so nice for about a week now and it really is hard to believe that we are in the middle of winter. I have noticed that everyone seems to be more joyous and happy when we gather as God's people. It's a wonder what a little nice weather will do for all of us and our attitudes.

We had a great Agape meal this past Sunday. It was nice to be with our brothers and sisters and to share this time of fellowship. It is always nice to have some visitors stay with us. It is always a blessing to share our faith with others. We are truly blessed by God.

I look forward to hearing a report on the Zambia work this Sunday evening. I am eager to hear how things went for Dad and Seth while in Zambia. It is so wonderful to be involved in so many great works of God. How blessed we are to have a part in helping to evangelize this world. In the near future we also look forward to hearing an update on the Uganda School.

It's hard to believe that we are in the last week of February. It's easy to see that this year is going to fly by like most others. With this reality in mind, we might want to consider some important questions like, "What are you doing for God" and "What will you do to make sure that you are doing your part in His Kingdom." Brothers and sisters, I hope we will take advantage of every opportunity to serve our God and to help others to know His Perfect Will. The great news is, if we will do our part then many more souls will have an opportunity to know God and obey His Glorious Will. Brethren, let's all make sure that we are laboring in the work of our Lord, knowing all the while that God always blesses those who are His. Are you fulfilling your roll in the body of Christ?

Brethren we still have those of our number who need to be remembered in our prayers, especially our sister Charlotte Steely. It was so good to see her at services the other night. We sure miss her when she is unable to be with us, but know she is continuing to deal with some serious health issues. Please keep her in your daily prayers. We have many others on our prayer list also. Please keep these important needs before God's throne, we all know and believe in the power of prayer.

I look forward to our gathering before God's throne this evening as we study His Word and Worship His Holy Name. Please make sure and be present and ready to give God your very best. Also remember that the Lord's day will be here before we know it. May we all assemble on God's day to Laud and Magnify His Wondrous Name. May God bless us all!

Dear Family @ K.E.

I'm so overwhelmed by all the cards, hugs & birthday wishes and especially to the young people who dedicate the whole day once a month to brighten others' day. My heart swells with pride of you all and thank you for the beautiful roses, card & gift card for Mama Jeans. Nothing could have been more thoughtful.

ELDERS' CORNER:

Hope everyone is having a good week.

Sunday was a great day for worshipping our Lord. The sermon brother Ray delivered was very fitting. We had responses from Jordan and Minnie wanting prayers. Sister Earlene Owens' grandson, Johnny Owens came wanting prayers for the Owen family. Sister Shirley Blades came saying she needs help with her depression. Carl Westerman wants help in getting rid of some bad habits and wants to live a Christian life. Please pray for these to live a good Christian life.

We want to thank all of our Bible School teachers for the time spent to teach our classes.

Please keep those that are having health problems in your everyday prayers, especially sister Charlotte Steely and brother Leon Wake.

Cast your cares on Him because He cares for us. 1 Peter 5:7.

See all of you on Sunday for Bible study and Worship.
