MARCH 19, 2017 BULLETIN RAY'S REMARKS:

THE K.E FAMILY LIFELINE

Wow, it's seems like the last few days that Winter has been back with a vengeance. Can you believe how cold it has been? It makes it feel especially cold, when we have had such nice weather lately. I really wish it could have been nicer this week for the many kids who are on break. It is strange not to see the neighborhood kids out playing and enjoying their time off from school, however it has just been too cold. Anyway, there isn't a whole lot we can do about it so we just have to make the most of it. Make sure you stay warm during these cold days and know that if you wait long enough things will change in the Ozarks. In fact, it looks like the nice weather is back on its way for next week.

It was great to have Zachary preach for us Sunday evening. Brother Zach is doing such a good job in school and we are so proud of the progress he is making. He and Brandon are both talented young men brought up in the church and encouraged to serve. I am so glad they both decided to train to preach the Gospel of Jesus Christ. I know their family is very proud and I know their grandfather would have been prouder. Brother Jim was a long time preacher in the Crocker area. Jim was a man who loved God and His word, and who had always been a great supporter of the Lord's Work.

I am equally thankful for our teenage young men. They are always so willing to serve and they do such a good job in using their talents for Christ. I hope we all encourage them and let them know how well they are doing. It is good to know that we have so many young people who love God and His Word as much as we do. We have a great group of young people, guys and girls.

I am so thankful that so many of our family continue to make improvements in their health. I know that many are still struggling with a variety of issues, but any improvement and relief is still good. Let's make sure and pick up a prayer list and keep those individuals with special needs before God's throne in prayer. We especially need to keep sister Charlotte in our prayers as she deals with her health. She is a wonderful sister in Christ and we love her and pray that she will have the peace of God during these days.

Finally, I wanted to remind you all that we have plenty of the membership books still available if you need one or if you would like a second one. We don't leave them sitting out in the foyer for obvious reasons, but we have them in the office so if you would like one just let Julie or me know.

Well, I hope you all are at services this evening. It is always a great privilege for us to gather as God's people and to worship our God. Let's also make sure that we are prepared and ready to give God our best this coming Lord's day. Remember, God always blesses those who love Him and who do His perfect will. God bless!

Worry immobilizes,
but concern moves you to action!

"Therefore I say to you, do not worry about your life, what you will eat or what you will drink; nor about your body, what you will put on. Is not life more than food and the body more than clothing?"

"Consider the lilies of the field, how they grow: they neither toil nor spin; and yet I say to you that even Solomon in all his glory was not arrayed like one of these... Therefore do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?'"

"But seek first the kingdom of God and His righteousness, and all these things shall be added to you. Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble."

Selections from Matt. 6:25-34

ELDERS' CORNER:

A special appreciation to our teachers who work so selflessly and diligently in teaching our classes on Sundays and Wednesday nights. Although they will never be able to realize all the good they are doing, the result of their dedication will be the salvation of souls. From the whole K. E. family, thank you.

This past Wednesday night brother Timothy Hathcock came to us and told us of his desire to make things right in his life with God and to become a part of the work here at K. E. After a prayer of repentance, we welcomed this brother into our local congregation and also are happy to have his two sons with us. May the Lord bless us in our work together in the Kingdom.

Don't forget to keep in your thoughts and prayers our lectureship that will be coming up during the dates of May 14-17. Our theme this year is: GREAT BIBLICAL TRUTHS. A schedule of lessons, topics and speakers will be published very soon. Wouldn't it be wonderful if we all were here at every session? It would be a great encouragement to us all. Hebrews 10:25

Remember our sick and shut-ins in your prayers, cards and visits. They need us during this time of their lives more than ever before.

Hope to see you all at all our services.
