APRIL 2, 2017 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

It was with mixed emotions that we laid our dear sister Charlotte Steely to rest last Friday. She was such a wonderful and precious sister in Christ to us all. She really was an important part of our family at Kansas Expressway and she shared a lot of love and joy within the body of Christ. I know we will all miss her and her many cards, but I also know that she now has received those glorious promises of God as a faithful child. I also know that God says we will see our faithful loved ones again someday when this life is over, if we are found faithful as well. Let's find comfort in the great truths and promises of God's Word and let's live in such a way as to always please God and to be found acceptable according to His Perfect Will.

With April only a few days away, let's keep in mind the many opportunities we have to serve God during this month. We will have our regularly scheduled Agape meals and fellowships with our newly assigned groups. We also have our Men's Breakfast coming up on the second Saturday of the month. On the 23rd of the month, we will have the opportunity to honor our graduates for this year and to let them know how proud we are that they have accomplished another milestone in their lives. On the 5th Sunday, we will again have the opportunity to worship God, but we will also have a potluck for the whole congregation and our 5th Sunday contribution. Remember that this month's 5th Sunday contribution will go toward replacing the song taping for the TV program. The one we have been using is very old and needs to be updated to make the program as effective as possible. Besides these opportunities, many others exist such as encouraging through our visitation and card programs, youth get-togethers, Work day around the building, etc. Please take advantage of every chance you have to work for God during April. May we never grow weary while doing good, or while accomplishing God's Will.

Tonight is our mid-week service! I know most of your will be present to worship God, ready to give Him our best. In fact, where would we rather be on any given day than with our believing brothers and sisters, worshipping before the Throne of our God. Also, remember that Sunday will be another great Lord's day with many opportunities to Worship God. Keep in mind, God always blesses the faithful!

ELDERS' CORNER:

Coming up very soon is our annual Bible Lectureship. The theme for our 13th Lectureship is: "Great Biblical Truths." We believe that the subjects that will be covered will help challenge us all to always hold on to those truths. As the Apostle Paul said to Timothy, "Hold fast the pattern of sound words which you have heard from me, in faith and love which are in Christ Jesus" (II Timothy 1:13). As we live this life, time is quickly passing. The most gratifying life is when we, as His children, hold precious the words of God and apply them all to our lives. Then, and only then, will we be ready to meet our Lord when He comes again.

At our last Elders/Men's meeting, several projects were presented to the men to make them aware of works that will be going on around the facility. Very soon, our parking lot will be resurfaced again. The city of Springfield damaged our parking lot with many heavy duty trucks while making repairs on the road that runs adjacent to our property. They are paying for half of the charges. Also, our building needed attention as the expansion joints, cracks and other problems have developed over the years. Repairs are being made at this time. Our roof will have to be repaired due to being damaged by high winds. A T. V. taping of our songs for The Living Word program will be done this year. A work day will be scheduled for this spring, if it ever gets here. Encouraging reports were made on all the African works and on the school here at BIM. A special day for the distribution of used clothing is in the process of being organized. We are planning on the purchase of another vehicle to replace our present bus this year. Our evangelism program and Agape program were also mentioned. We want to thank all of you who are involved in the work here at K.E. for the effort you make in doing His will at K.E. For further details, please feel free to contact one of the elders.

Continue to remember our brethren who are suffering from many different health issues. Many of our shut-ins need our cards and visits. Let's not forget to remember all of them in our prayers. May God bless you all.

We hope to see you at all our services and please make plans to attend all the lectures in our upcoming Lectureship.

Jerry & Gary
