BULLETIN

RAY'S REMARKS:

THE K.E FAMILY LIFELINE

Wow, we are certainly catching up on the rain the last several weeks. We have had some real gushers some days and this has caused so much flooding throughout Missouri. I have even heard reports of some brethren who have been affected. Many of you may have had the chance to meet the family visiting with us from West Plains; they were stranded in Springfield because of all the crazy weather. It was great to have them with us, but let's remember in prayer all those who are struggling these days due to our recent weather.

Last Sunday was a great Lord's day as always. We had a wonderful 5th Sunday Worship and potluck. It was also exciting to see that we had such a good 5th Sunday contribution. We were able to get over \$1700 over budget to go toward a new taping of songs for the Living Word program. We hope to schedule a new taping in the near future.

If you haven't looked at the new clothing room lately you will be very impressed. It is upstairs and sister Nancy has done an excellent job organizing it and making it more accessible to those who have needs for clothes. This is one great way that we reach out regularly to our community in the name of Christ. Hopefully, those around us will see our Christian spirit and compassion so that ultimately they may desire to know and obey Christ. Thanks for all your good work Nancy!

It is really hard to believe, but we are only a little over a week from our Spring Lectureship. I am excited about this opportunity to hear the word of God and to grow as Christians. It will also be a blessing to have some of our graduates back to speak on the lectureship. I look forward to seeing brother Chris Gardner and his family, as well as brother Russ Earl. We also will have brother Andy and Scott speaking on the lectureship. Of course our faculty will be speaking during the week and brother Cory who is about to graduate. Let's all be sure and to present at every opportunity we have to join in Worship to our God. Brethren, there is not a more important place we could be or a more important things we could do than to gather and Worship our Creator. See you all there.

Remember our privilege tonight to come together to study and worship God. I hope you will put God first and be in attendance. May God bless us all as we put Him first and do His Perfect Will!

THANK YOU:

Thank you to Nancy Kelly for working many long hours getting the clothing room upstairs organized. It looks terrific! Also, thanks to Ray and Richard for securing the racks to the walls. Thanks also to Larry McCarty for all the plumbing work he does here. Our baptistery is now leak-free thanks to our brother. We commend these devoted workers.

ELDERS' CORNER:

We hope everyone is having a good week. On Sunday, we had a very good day. We had a very good sermon in the morning with many visitors from around the area. Sister Karma Schlack came forward to place her membership with the K.E. congregation. She is from Oklahoma. Please make her feel welcome. We had a good number to stay for the Potluck dinner also, with many visitors in attendance and great food and fellowship.

We met at 1:30 P.M. for our evening worship. We will be doing this on our 5th Sundays to see how that works with our members. Please contact us with your comments.

Our 5th Sunday contribution was very good. We thank the congregation in your willingness to have a T.V. taping here at the building. It has been several years since our last taping.

Please brethren, remember to silence your cell phones or leave them at home. It is very distracting to have phones ringing in the worship service, especially during our communion service. Do us a big favor in silencing them.

Thank you to Nancy Kelly for getting the clothing room moved and arranged up in room #15. She has worked very hard to get this room and good work in order.
