BULLETIN

RAY'S REMARKS:

Well we had another great weekend. God blessed us with a good Lord's day and a good BIM graduation during the afternoon. We had a really great turn out for the graduation. It was good to celebrate Cory's accomplishment. Thanks to all of you who were able to be a part of it.

We were also able to finish up this year's classes at the BIM. I know all the men are happy for a break and to have some time to spend with their family. I am very proud of our present students and I encourage us all to continue praying for them that they will have a great summer and be ready for their studies when we again start our classes in August.

So far we have two new students confirmed as starting next year. Hopefully, during the summer we will have a few more able to consider and commit to coming to the BIM to train. I am so encouraged by the great work together that we are doing at the BIM.

I was also encouraged last week to be a part of the Branson Lectureships. They were a great success and there were many brethren who took advantage of this time of spiritual study and growth. I was also encouraged to see so many of you take advantage of this time of study, whether in person or on the internet. I know we were all strengthened by this opportunity to study God's Word. Another thing, which was so exciting at the Lectureships, is that so many of our graduates were there in attendance. I counted as many as 7 to 8 at a time who were present to grow in God's Word. It is so exciting to see the fruits of our collective labors out in the field, working for the Lord. We are blessed to be a part of such a great work of God.

Let me remind you that this Sunday we will have a special visitor. One of our original graduates of our preachers' training school in Africa, when it was first started in Botswana. In fact, brother Shadreck is from our first class. He will be speaking to us Sunday morning.

Also, a big thanks to Andy who has agreed to speak for me Sunday night, while I will be away at camp. Please remember us in your prayers that this year's camp session will be a huge success to the glory of God.

I look forward to seeing you all tonight as we gather to worship God. Have a great day and God bless!

SAFARI NJEMA!

Wish of good journey (in Swahili)

Our dear brethren!
It is time for Edith and me to return to Africa again. It will be difficult for us to leave our family here at K. E. as well as the family God has blessed us with in this life. Our dates for being away are from June 19 - August 17. It is longer than we usually stay because I must also visit with the new full time school in Ghana. You will be kept posted on what is going on in those good works. Please pray for our good health and safe journey. This should be the only trip we take this year. May God richly bless you and keep you until we meet again.

ELDERS' CORNER:

Our 11th Graduation of the BIM was a great event in that one more preacher of the gospel finished the difficult studies over a two year period. We congratulate brother Cory Orr for the effort he made in his studies at BIM. Brother Orr has accepted a work with the Bona, Missouri church of Christ who are faithful supporters of many of the works here at K.E. May God bless his family and him as they enter this new phase of their lives. At this time, two new students have been accepted to begin their studies in August.

Men, don't forget to be at the Men's breakfast this Saturday morning at 8:00. We hope to have two visitors from Africa with us at that time.

Sunday morning brother Shadreck Boitswarelo will be speaking at our morning service. I had the pleasure of leading him to Christ in 1979 in Nairobi, Kenya. He graduated from the Botswana School of Biblical Studies in 1990. Since that time he has been a faithful servant of God and is at this time striving to teach his fellow brothers in Botswana to become preachers of the gospel. His presence with us will help us all to understand more the value of our labors in Africa for the Lord.

Remember our sick and shut-ins in your prayers. Marge Langston is still in recovery.

Hope to see you all at all the worship and study periods of the K.E. congregation.
